1. General

Part 1 - Instructions and Guidance

Those lenders who instruct using the UK Finance Mortgage Lenders' Handbook certify that these instructions have been prepared to comply with the requirements of the Solicitors Regulation Authority (SRA's) Code of Conduct 2011 and the CLC Code of Conduct 2011.

1.1 The UK Finance Mortgage Lenders' Handbook is issued by UK Finance. Your instructions from an individual lender will indicate if you are being instructed in accordance with the Lenders' Handbook. If you are, the general provisions in part 1 and any **lender specific requirements in part 2** must be followed.

1.2 References to "**we**", "**us**" and "**our**" mean the lender from whom you receive instructions.

1.3 The Lenders' Handbook does not affect any responsibilities you have to us under the general law or any practice rule or guidance issued by your professional body from time to time.

1.4 The standard of care which we expect of you is that of a reasonably competent solicitor or licensed conveyancer acting on behalf of a mortgagee.

1.5 If you are regulated by the Solicitors Regulation Authority (SRA) the limitations contained in the SRA's Code of Conduct 2011 apply to the instructions contained in the Lenders' Handbook and any separate instructions.

1.6 You must also comply with any separate instructions you receive for an individual loan.

1.7 If the borrower and the mortgagor are not one and the same person, all references to "**borrower**" shall include the mortgagor. Check **part 2** to see if we lend in circumstances where the borrower and the mortgagor are not one and the same.

1.7 Contact point to see if the lender will lend when borrower and mortgagor are not one and the same.

1.8 References to "**borrower**" (and, if applicable, "**guarantor**" or, expressly or impliedly, the mortgagor) are to each borrower (and guarantor or mortgagor) named in the mortgage instructions/offer (if sent to the conveyancer). This applies to references in the Lenders' Handbook and in the certificate of title.

1.9 References to "**mortgage offer**" include any loan agreement, offer of mortgage or any other similar document.

1.10 If you are instructed in connection with any additional loan (including a further advance) then you should treat references to "mortgage" and "mortgage offer" as applying to such "additional loan" and "additional loan offer" respectively.

1.11 In any transaction during the lifetime of the mortgage when we instruct you, you must use our current standard documents in all cases and must not amend or generate them without our written consent. We will send you all the standard documents necessary to enable you to comply with our instructions, but please let us know if you need any other documents and we will send these to you. Check **part 2** to see who you should contact. If you consider that any of the documentation is inappropriate to the particular facts of a transaction, you should write to us (see **part 2**) with full details and any suggested amendments.

1.12 In order to act on our behalf your firm must be a member of our conveyancing panel. You must also comply with any terms and conditions of your panel appointment.

1.12.1 Our instructions are personal to the firm to whom they are addressed and must be dealt with solely by that firm.

You must not sub-contract or assign our instructions to another firm or body, nor may you accept instructions to act for us from another body, unless we confirm in writing otherwise.

1.13 If you or a member of your immediate family (that is to say, a spouse, civil partner, co-habitee, parent, sibling, child, step-parent, step-child, grandparent, grandchild, parent-in-law, or child-in-law) is the borrower and you are the sole practitioner, you must not act for us.

1.14 Your firm or company must not act for us if the partner or fee earner dealing with the transaction or a member of his immediate family is the seller, unless we say your firm may act (see **part 2**) and a separate fee earner of no less standing or a partner within the firm acts for us.

1.14 May your firm act if the person dealing with the transaction or a member of his immediate family is the seller?

The Bank does not allow a Firm to act in such circumstances.

1.15 Your firm or company must not act for us if the partner or fee earner dealing with the transaction or a member of his immediate family is the borrower, unless we say your firm may act (see **part 2**) and a separate fee earner of no less standing or a partner within the firm acts for us.

1.15 May your firm act if the person dealing with the transaction or a member of his immediate family is the borrower?

Yes, in the circumstances stated in 1.15 of Part 1 of the Handbook provided there is no conflict of interest.

1.16 If there is any conflict of interest, you must not act for us and must return our instructions.

1.17 Nothing in these instructions lessens your duties to the borrower. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

1.18 In addition to these definitions any reference to any regulation, legislation or legislative provision shall be construed as a reference to that regulation, legislation or legislative provision as amended, re-enacted or extended at the relevant time.

2. Communicating with the Lender

2.1 All communication between you and us should be in writing quoting the mortgage account or roll number, the surname and initials of the borrower and the property address. You should keep copies of all written communication on your file as evidence of notification and authorisation. If you use PC fax or e-mail, you should retain a copy in readable form.

2.2 If you require deeds or information from us in respect of a borrower or a property then you must first of all have the borrower's authority for such a request. If there is more than one borrower, you must have the authority of all the borrowers. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

2.3 If you need to report a matter to us, you must do so as soon as you become aware of it so as to avoid any delay. If you do not believe that a matter is adequately provided for in the Handbook, you should

- identify the relevant Handbook provision and the extent to which the issue is not covered by it.
- provide a concise summary of the legal risks.
- provide your recommendation on how we should protect our interest.

After reporting a matter you should not complete the mortgage until you have received our further written instructions. We recommend that you report such matters before exchange of contracts because we may have to withdraw or change the mortgage offer.

3. Safeguards

3.1 Safeguards for solicitors

3.1.1 **This sub-section relates to solicitors and those working in practices regulated by the Solicitors Regulation Authority only.**

3.1.2 You must follow the rules and guidance of your professional body relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow other relevant guidance, for example, the Law Society of England and Wales mortgage fraud practice note; the Council for Licensed Conveyancers' Acting for Lenders and Prevention of Mortgage Fraud Code and Guidance, and take account of relevant regulatory warning notices.

3.1.3 If you are not familiar with the seller's regulated legal representatives (as defined by the Legal Services Act 2007 Schedule 4 and Schedule 2 paragraph 5), you must verify that they are currently on record with the Solicitors Regulation Authority, Council for Licensed Conveyancers or other legal regulatory body as practising at the address they have provided to you. Check **part 2** to see whether we require you to notify us of the name and address of the regulated legal

representatives (as defined above) acting for the seller.

3.1.3 Does the lender require notification of the name and address of the solicitors firm or licensed conveyancers firm acting for the seller?

No, but you should ensure they are registered with their Regulatory Body and maintain current Practising Certificates.

3.1.4 If different from 1.11, contact details if the lender needs to be notified when the seller does not have legal representation.

We are happy to proceed on this basis providing you have no concerns and the vendor is able to supply any legal documentation you require to satisfy the Bank's requirements.

3.1.6 You should check that any document you use to verify a signatory's identity appears to be authentic and current, signed in the relevant place. You should take a copy of it and keep the copy on your file. You should also check that the

signatory's signature on any document being used to verify identity matches the signatory's signature on the document we require the signatory to sign and that the address shown on any document used to verify identity is that of the signatory.

3.2 Safeguards for licensed conveyancers

3.2.1 **This sub-section applies to licensed conveyancers practices only.**

3.2.2 You must follow the professional guidance of the Council for Licensed Conveyancers relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow all other relevant guidance issued by the Council for Licensed Conveyancers.

3.2.5 Unless you personally know the signatory of a document, you must ask the signatory to provide evidence of identity, which you must carefully check. You must satisfy yourself that the person signing the document is the borrower, mortgagor or guarantor (as appropriate). If you have any concerns about the identity of the signatory you should notify us immediately.

3.2.6 You should check that any document you use to verify a signatory's identity appears to be authentic and current, signed in the relevant place. You should take a copy of it and keep the copy on your file. You should also check that the signatory's signature on any document being used to verify identity matches the signatory's signature on the document we require the signatory to sign and that the address shown on any document used to verify identity is that of the signatory.

4. Valuation of The Property

4.1 Check **part 2** to see whether we send you a copy of the valuation report or if you must get it from the borrower. If you get a copy of the valuation report from the borrower, we do not expect you to check the content of that report matches the information we hold. For the avoidance of doubt, regardless of where the report is obtained from, you must carry out the checks detailed in sections 4.2 and 4.3.

4.1 Is there a valuation report and if so, does the lender provide it?

Only in instances where a property is being purchased via a 'special scheme' (Shared Ownership, Shared Equity or Discounted Market Value/Sale) must you request a copy of the valuation report and check there are no discrepancies.

In some instances, where a physical inspection has not been undertaken, you may not receive a copy of an actual report but instead receive confirmation that the purchase price/estimated value has been supported by the valuation. The valuation figure must not be disclosed to the applicant(s).

[View all answers to this question](#)

4.2 You must take reasonable steps to verify that there are no discrepancies between the description of the property as valued and the title and other documents which a reasonably competent conveyancer should obtain, and, if there are, you must tell us immediately.

4.3 You should take reasonable steps to verify that the assumptions stated by the valuer about the title (for example, its tenure, easements, boundaries and restrictions on its use) in the valuation and as stated in the mortgage offer are correct. If they are not, please let us know as soon as possible (see **part 2**) as it will be necessary for us to check with the valuer whether the valuation needs to be revised. We are not expecting you to assume the role of valuer. We are simply trying to ensure that the valuer has valued the property based on correct information.

4.3 If different from 1.11, contact point if assumptions stated by the valuer are incorrect.

Valuation not supplied so not applicable but any title or other matters that might affect the value should be referred to the Issuing Office in accordance with the other sections of this Handbook

4.4 We recommend that you should advise the borrower that there may be defects in the property which are not revealed by the inspection carried out by our valuer and there may be omissions or inaccuracies in the report which do not matter to us but which would matter to the borrower. We recommend that, if we send a copy of a valuation report that we have obtained, you should also advise the borrower that the borrower should not rely on the report in deciding whether to proceed with the purchase and that he obtains his own more detailed report on the condition and value of the property, based on a fuller inspection, to enable him to decide whether the property is suitable for his purposes.

4.5 Where the mortgage offer states that a final inspection is needed, you must ask for the final inspection at least 10 working days before the advance is required. Failure to do so may cause delay in the issue of the advance. Your certificate of title must be sent to us in the usual way.

4.5a If different from 1.11, contact point if re-inspection required.

Mortgage Loan Services PO Box 1477 Sunderland SR5 9XE
The Certificate of Title should only be sent after the re-inspection is completed.

5.2.1 Please report to us immediately if the person selling to the borrower is not the owner or registered proprietor unless the seller is:

- a personal representative of the registered proprietor; or
- an institutional mortgagee exercising its power of sale; or
- a receiver, trustee-in-bankruptcy or liquidator; or

We require you to report immediately if the person selling is doing so pursuant to a reassignment of sale contract/lease (sub-sale).

If the transaction is for residential lending then, in order for us to consider this further, we require the Disclosure of Incentives Form (DIF), dated as of the original (first) sale and confirmation that the following criteria are met:

- The loan-to-value (LTV) is ≤ 70% of the market value or purchase price (whichever is lower) stated on our mortgage offer
- The total mortgage lending is less than the contracted sale price paid by the third-party
- All deposit funds are evidenced as being from the applicant's own resources, a gift from a relative or a combination of the two
- There is no family or other relationship between any applicant and the vendor or third-party.

If the above requirements are not all met, then the Bank cannot proceed on this basis.

5.3 Conflict of Interest

5.3.1 If any matter comes to your attention which you should reasonably expect us to consider important in deciding whether or not to lend to the borrower (such as whether the borrower has given misleading information to us or the information which you might reasonably expect to have been given to us is no longer true) and you are unable to disclose that information to us because of a conflict of interest, you must cease to act for us and return our instructions stating that you consider a conflict of interest has arisen. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

5.4 Searches and Reports

5.4.1 In carrying out your investigation, you must ensure that all usual and necessary searches and enquiries have been carried out. You must report any adverse entry to us but we do not want to be sent the search itself. We must be named as the applicant in the Land Registry search.

5.4.2 In addition, you must ensure that any other searches which may be appropriate to the particular property, taking into account its locality and other features are carried out.

5.4.3 All searches except where there is a priority period must not be more than six months old at completion.

5.4.4 You must advise us of any contaminated land entries revealed in the local authority search. Check **part 2** to see if we want to receive environmental or contaminated land reports (as opposed to contaminated land entries revealed in the local authority search). If we do not, you do not need to make these enquiries on our behalf.

5.4.4 Does the lender want to receive environmental or contaminated land reports?

Please DO NOT provide:

- Results of desktop searches.
- Reports that recommend “next steps, “Next Actions” or “further investigation” until recommendations have been followed to their conclusion.

Only the results of any invasive or investigative reports should be provided should you deem it necessary to do so following the discovery of a matter which may adversely impact our security.

Please Note: The Bank will always require insurance to be readily obtainable on typical terms with no onerous excesses, premiums, restrictions or limitations. If insurance is unduly impacted by environmental or other factors then we should be informed.

Specific Environmental/Local Matters:

- Japanese Knotweed:
 - o You do not need to advise us if treatment has already commenced / been completed by a qualified party and is or will be covered by a valid, transferable, insurance-backed, 10-year guarantee.
- Infrastructure projects:
 - o We only require to be advised where the property may be subject to a compulsory purchase or demolition orders or any forms of compensation.
- Coal Mining:
 - o We should only be advised where the report shows an untreated (or treated pre 1950) mine entry or adit within 20 meters of the property.
- Mundic:
 - o Reports must be less than 6 years old when referred to the Bank.
- Private Water Supply:
 - o A Private Water Supply must have been tested with a statement from a specialist that the supply is potable along with a statement of truth from the property owner that the supply is reliable.
- Private Drainage:
 - o We must be advised if it is established the property has private drainage which is not compliant or known to be faulty.
- FRA/FRAEW:
 - o Do not provide unsolicited copies of FRA/FRAEW reports.
- Radon:
 - o We do not need to be made aware.

In respect of all of the above the Bank will always require insurance to be readily obtainable on typical terms with no onerous excesses, premiums, restrictions or limitations. If insurance is unduly impacted by environmental or other factors then we should be informed.

5.4.5 Does the lender accept personal searches and, if yes, what are the lender's requirements?

5.4.6 Check **part 2** to see if we accept search insurance.

5.4.6 Does the lender accept search insurance and, if yes, what are the lender's specific requirements?

Yes, for both purchases and re-mortgage applications provided adequate cover is arranged at the Conveyancer's own risk.

5.4.7 If we accept personal searches or search insurance you must ensure that:-

- a suitably qualified search agent carries out the personal search and has indemnity insurance that adequately protects us; or
- the search insurance policy adequately protects us.

5.4.8 You are satisfied that you will be able to certify that the title is good and marketable unless stated otherwise in our specific requirements listed in **part 2**.

5.5 Planning and Building Regulations

5.5.1 You must by making appropriate searches and enquiries take all reasonable steps (including any further enquiries to clarify any issues which may arise) to ensure:

- the property has the benefit of any necessary planning consents (including listed building consent) and building regulation approval for its construction and any subsequent change to the property and its current use; and
- there is no evidence of any breach of the conditions of that or any other consent or certificate affecting the property; and
- that no matter is revealed which would preclude the property from being used as a residential property or that the property may be the subject of enforcement action.

If there is evidence of such a breach or matter but in your professional judgment there is no reasonable prospect of enforcement action and, following reasonable enquiries, you are satisfied that the title is good and marketable and you can provide an unqualified certificate of title, we will not insist on indemnity insurance and you may proceed.

5.5.2 If there is such evidence and all outstanding conditions will not be satisfied by completion, where you are not able to provide an unqualified certificate of title, you should report this to us in accordance with 2.3.

5.5.3 Check **part 2** to see if copies of planning permissions, building regulations and other consents or certificates should be sent to us.

5.5.5 If different from 1.11, contact point if the property is subject to restrictions which may affect its value or marketability.

5.6 Good and Marketable Title

5.6.1 The title to the property must be good and marketable free of any restrictions, covenants, easements, charges or encumbrances which, at the time of completion, might reasonably be expected to materially adversely affect the value of the property or its future marketability (but excluding any matters covered by indemnity insurance) and which may be accepted by us for mortgage purposes. Our requirements in respect of indemnity insurance are set out in section 9. If, based on your professional judgment, you are able to provide an unqualified certificate of title, we will not require indemnity insurance. You must also take reasonable steps to ensure that, on completion, the property will be vested in the borrower.

5.6.2 Good **leasehold title** will be acceptable if:

- a marked abstract of the freehold and any intermediate leasehold title for the statutory period of 15 years before the grant of the lease is provided; or
- you are prepared to certify that the title is good and marketable when sending your certificate of title (because, for example, the landlord's title is generally accepted in the district where the property is situated); or
- you arrange indemnity insurance. Our requirements in respect of indemnity insurance are set out in section 9.

5.6.3 A title based on **adverse possession** or **possessory title** will be acceptable if the seller is or on completion the borrower will be registered at the Land Registry as registered proprietor of a possessory title. In the case of lost title deeds, the statutory declaration must explain the loss satisfactorily;

5.6.4 We will also require **indemnity insurance** where there are buildings on the part in question or where the land is essential for access or services;

5.6.5 We may not need indemnity insurance in cases where such title affects land on which no buildings are erected or which is not essential for access or services. In such cases, you must send a plan of the whole of the land to be mortgaged to us identifying the area of land having possessory title. We will refer the matter to our valuer so that an assessment can be made of the proposed security. We will then notify you of any additional requirements or if a revised mortgage offer is to be made.

5.7 Flying Freeholds and Freehold Flats

5.7.1 If any part of the property comprises or is affected by a flying freehold or the property is a freehold flat, check **part 2** to see if we will accept it as security.

5.7.1a Does the lender lend on flying freeholds?

Coach House Flat:

Flats Above Vehicular Access:

These are acceptable provided the freehold title to the flat also includes the access underneath the flat or if it does not the flying freehold element is 15 sq. /m or less.

Older Properties:

These are considered acceptable in small areas (up to 15% of the overall external floor area of the building can be a Flying Freehold) subject to confirmation that adequate rights of support and mutually enforceable repairing covenants exist.

5.7.1b Does the lender lend on freehold flats?

Freehold flats and maisonettes are not considered suitable as security for mortgages as are coach house flats see also 5.8.1 and 5.8.5

Coach House Flat:

A flat above 2 or more garages where the flat owner will use/own 1 of the garages and the others are used/owned by owners of neighbouring properties. 5.7.2 If we are prepared to accept a title falling within 5.7.1:

- the property must have all necessary rights of support, protection, and entry for repair as well as a scheme of enforceable covenants that are also such that subsequent buyers are required to enter into covenants in identical form; and
- you must be able to certify that the title is good and marketable; and
- in the case of flying freeholds, you must send us a plan of the property clearly showing the part affected by the flying freehold.

If our requirements in the first bullet under 5.7.2 are not satisfied, indemnity insurance must be in place at completion (see section 9).

5.8 Other Freehold Arrangements

5.8.1 Unless we indicate to the contrary (see **part 2**), we have no objection to a security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases.

5.8.1 Does the lender accept security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases?

Yes

Last updated: 16/04/2026

[View all answers to this question](#)

5.8.2 If the borrower occupying one of the flats also owns the freehold, we will require our security to be:

- the freehold of the whole building subject to the long leases of the other flats; and
- any leasehold interest the borrower will have in the flat the borrower is to occupy.

5.8.3 If another flat owner owns the freehold of the building, the borrower must have a leasehold interest in the flat the borrower is to occupy and our security must be the borrower's leasehold interest in such flat.

5.8.4 The leases of all the flats should contain appropriate covenants by the tenant of each flat to contribute towards the repair, maintenance and insurance of the building. The leases should also grant and reserve all necessary rights and easements. They should not contain any unduly onerous obligations on the landlord.

5.8.5 Where the security will comprise:

- one of a block of not more than four leasehold flats and the borrower will also own the freehold jointly with one or more of the other flat owners in the building; or
- one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat; check **part 2** to see if we will accept it as security and if so, what our requirements will be.

5.8.5 Does the lender accept security which comprises one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat? If so, are there any specific requirements?

In these circumstances we will require a charge over the leasehold interest occupied by our borrower and a charge over the freehold reversion they hold in the other flat.

5.9 Commonhold

5.9.1 If any part of the property comprises of commonhold, check **part 2** to see if we will accept it as security.

5.9.1 Does the lender lend on commonhold?

Yes, provided there are adequate provisions for repairs, maintenance, insurance etc. and an adequate maintenance charge.

[View all answers to this question](#)

5.9.2 If we are prepared to accept a title falling within 5.9.1, you must:

- ensure that the commonhold association has obtained insurance for the common parts which complies with our requirements (see 6.14);
- obtain a commonhold unit information certificate and ensure that all of the commonhold assessment in respect of the property has been paid up to the date of completion;
- ensure that the commonhold community statement does not include any material restrictions on occupation or use (see 5.6 and 5.10);

- ensure that the commonhold community statement provides that in the event of a voluntary termination of the commonhold the termination statement provides that the unit holders will ensure that any mortgage secured on their unit is repaid on termination;
- make a company search to verify that the commonhold association is in existence and remains registered, and that there is no registered indication that it is to be wound up; and
- within 14 days of completion, send the notice of transfer of a commonhold unit and notice of the mortgage to the commonhold association.

5.10 Restrictions on Use and Occupation

5.10.1 You must check whether there are any material restrictions on the occupation of the property as a private residence or as specified by us (for example, because of the occupier's employment, age or income), or any material restrictions on its use. If there are any restrictions, you must report details to us (see **part 2**). We may accept a restriction, particularly if this relates to sheltered housing or to first-time buyers.

5.10.1 If different from 1.11, contact point if there is a restriction on use.

5.11 Restrictive Covenants

5.11.1 You must enquire whether the property has been built, altered or is currently used in breach of a restrictive covenant. We rely on you to check that the covenant is not enforceable. If you are unable to provide an unqualified certificate of title as a result of the risk of enforceability you must ensure (subject to paragraph 5.11.2) that indemnity insurance is in place at completion of our mortgage (see section 9).

5.11.2 If there is evidence of a breach and, following reasonable enquiries, you are satisfied that the title is good and marketable; you can provide an unqualified certificate of title and the breach has continued for more than 20 years without challenge, then we will not insist on indemnity insurance.

5.12 First Legal Charge

5.12.1 On completion, we require a fully enforceable first charge by way of legal mortgage over the property executed by all owners of the legal estate. All existing charges must be redeemed on or before completion, unless we agree that an existing charge may be postponed to rank after our mortgage. Our standard deed or form of postponement must be used.

5.13 Balance of Purchase Price

5.13.1 You must ask the borrower how the balance of the purchase price is being provided. If you become aware that the borrower is not providing the balance of the purchase price from his own funds or is proposing to give a second charge over the property, you must report this to us if the borrower agrees (see **part 2**), failing which you must return our instructions and explain that you are unable to continue to act for us as there is a conflict of interest. You should also have regard to 6.3.1 with regard to any implications on the purchase price.

5.13.1 If different from 1.11, contact point if borrower is not providing balance of purchase price from funds/proposing to give second charge.

We do not require you to report a gifted deposit to us provided:

- (i) it is an unconditional gift and is not repayable or secured by a legal charge and the gift or is not claiming any interest in the property;
- (ii) it is being provided by a family member; and
- (iii) you have confirmed the source of the funds

We do require you to report to us where source of deposit is identified as being a crypto-asset (whether or not converted to fiat currency).

Crypto-assets can include “cryptocurrencies” (such as Bitcoin), utility tokens (unregulated Crypto-assets usually issued as part of an ICO/ITO) asset tokens including “stable coins” (asset-backed coins with a value pegged to a physical asset

of some kind) and security tokens.

5.14 Leasehold Property

5.14.1 Our requirements on the unexpired term of a lease offered as security are set out in **part 2**.

5.14.1 What minimum unexpired lease term does the lender accept?

Leases with less than 70 years at the commencement of the mortgage are not acceptable.

Leases with fewer than 70 years should only be referred to the issuing office where the following scenario applies, as discretion may be applied subject to bank approval:

- Property is located in any of the following prestigious developments: Cadogan, Crown, Grosvenor, Howard de Walden, Portman or Wellcome Trust Estates in Central London AND
- The value of the property subject to the short remaining term is £500,000 or more AND
- The loan to value does not exceed 90% for purchases, 90% like for like re-mortgages, 80% for re-mortgages with any element of capital raising and 80% for existing Barclays mortgage borrowers applying for additional borrowing;

[View all answers to this question](#)

5.14.2 There must be no provision for forfeiture on the insolvency of the tenant or any superior tenant.

5.14.3 The only situations where we will accept a restriction on the mortgage or assignment (whether by a tenant or a mortgagee) of the lease is where the person whose consent needs to be obtained cannot unreasonably withhold giving consent. The necessary consent for the particular transaction must be obtained before completion. If the lease requires consent to an assignment or mortgage to be obtained, you must obtain these on or before completion (this is particularly important if the lease is a shared ownership lease). You must not complete without them.

5.14.4 You must take reasonable steps to check that:

- there are satisfactory legal rights, particularly for access, services, support, shelter and protection; and
- there are also adequate covenants and arrangements in respect of the following matters, buildings insurance, maintenance and repair of the structure, foundations, main walls, roof, common parts, common services and grounds (the "common services").

5.14.5 You should ensure that responsibility for the insurance, maintenance and repair of the common services is that of:

- the landlord; or
- one or more of the tenants in the building of which the property forms part; or
- the management company - see sub-section 5.15.

5.14.6 Where the responsibility for the insurance, maintenance and repair of the common services is that of one or more of the tenants the lease must contain adequate provisions for the enforcement of these obligations by the landlord or management company at the request of the tenant.

5.14.7 In the absence of a provision in the lease that all leases of other flats in the block are in, or will be granted in, substantially similar form, you should take reasonable steps to check that the leases of the other flats are in similar form. If you are unable to do so, you should effect indemnity insurance (see section 9). This is not essential if the landlord is responsible for the maintenance and repair of the main structure.

5.14.8 We do not require enforceability covenants mutual or otherwise for other tenant covenants.

5.14.9 We have no objection to a lease which contains provision for a periodic increase of the ground rent provided that

the amount of the increased ground rent is fixed or can be readily established and is reasonable. If you consider any increase in the ground rent may materially affect the value of the property, you must report this to us (see **part 2**).

5.14.9 If different from 1.11, contact point for matters connected with the lease:

If the proposed security is a new, qualifying long residential leasehold property, covered by the obligations laid down in the Leasehold Reform (Ground Rents) Act 2022 you must check:

- that the ground rent is no more than “one peppercorn per year” or “peppercorn rent”; and
- that there are adequate provisions for repairs, maintenance, insurance etc. and an adequate maintenance charge.

If the proposed security is not a new, qualifying long residential leasehold property within scope of the Leasehold Reform (Ground Rents) Act 2022:

Peppercorn or low ground rents are acceptable.

In respect of RPI linked Ground rents:

- Ground rent is indexed to RPI no more frequently than every 5 years.
- Ground rent up to 0.1% of the current market value is acceptable
- We may accept Ground rent up to 0.2% of the current market value subject to review and where this is the case you should refer the matter to us to provide confirmation of whether we are happy to proceed,

In respect of Doubling ground rents:

- Should not double more frequently than every 20 years
- Ground rent up to 0.1% of the current market value is acceptable
- We may accept Ground rent up to 0.2% of the current market value subject to review and where this is the case you should refer the matter to us to provide confirmation of whether we are happy to proceed,

In respect of Fixed increase ground rents:

- Should not increase more than doubling;
- These are acceptable up to 0.1% of the current market value
- We may accept ground rent of up to 0.2% of the current market value subject to review and where this is the case you should refer the matter to us to provide confirmation of whether we are happy to proceed

In respect of Open Market Value linked ground rents:

- These are not acceptable to Barclays and should be referred to us as soon as identified

Assured Tenancy Indemnity

Any ground rent provisions which cause (or, during the term of the mortgage, are likely to cause) the lease to be treated as an Assured Tenancy under the Housing Act 1988 are NOT acceptable unless:

- a) the Lease is varied to restrict the ground rent to a level no greater than the statutory level; or
- b) a suitable indemnity policy is put in place to protect us which complies with our requirements as set out in section 9 (Indemnity Insurance).

5.14.16 You must check a certified or official copy of the original lease. In the case of a registered lease where the original lease is now lost, or destroyed by Land Registry, we are prepared to proceed provided you have checked an official copy of the lease from the Land Registry.

5.14.17 This section applies only to purchases of leasehold flats in England situated in a 'relevant building' as defined in the Building Safety Act 2022 (Guidance on 'relevant buildings' can be found here: [Definition of 'relevant building'](#)). See Part 2s for our requirements on purchases and remortgages. Where the security will comprise such a leasehold flat you must request the following information from the seller's conveyancer about the building in which the flat is situated :

- Confirmation as to whether the building has been or will be remediated under the Building Safety Act 2022.
- Copies of any Landlord's Certificates, signed by the Landlord in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022.
- Copies of any executed Leaseholder Deed of Certificate (in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022) and confirmation that they have been submitted by the relevant leaseholder to the landlord.

You may want to consider any guidance from your professional body and/or regulator about the information and advice you should provide to the home-buyer relating to building safety. You should also consider any implications for section 4.4 of the Handbook.

5.14.17a Does the lender want any documentation sent to them?

You must share copies of documents if specified in Section 5.14.17.B or where an inaccuracy or discrepancy is identified on the performance of any instruction described in Section 5.14.17.B.

5.14.17b Does the lender have any specific instructions about building safety?

We have requirements for properties that have external wall systems (often generically termed cladding) that require remediation under the Building Safety Act 2022.

Properties with external wall systems that require remediation will have an EWS1 rating of A3 or B2. Where you are made aware a property has one of these ratings there is a requirement for you to report this to us.

The vendor's solicitor will provide confirmation and documents where a building is in scope. You do not need to query this, or send documentation to us, unless any issues are identified.

Where the building has or will be remediated under the Building Safety Act 2022:

Where a landlord certificate is provided to evidence planned remediation; you should check the details are correctly recorded wherever possible. Some properties will have a developer letter confirming responsibility for remediation or a letter from the housing association. These are also acceptable.

(a) Where a landlord certificate is provided to evidence planned remediation, you should check the details are correctly recorded wherever possible. Some properties will have a developer letter confirming responsibility for remediation or a letter from the housing association. These are also acceptable.

(b) You must request that the Vendor's conveyancer or the borrower, (as applicable) provide any Remediation Order or Remediation Contribution Order (if one has been obtained) and supply a copy of the same to the Lender. There is no requirement to report to us where no remediation order/remediation contribution order exists.

(c) You must request a copy of the lease agreement in respect of the leaseholder flat and you must check that:

I. the lease is granted for a term exceeding 21 years (whether it is (or may become) terminable before the end of that term by notice given by or to the tenant or by re-entry, forfeiture or otherwise)

II. the lease was granted before 14 February 2022

III. the information provided in the Leaseholder Deed of Certificate including, the building address, the current leaseholder, and the name of the leaseholder on 14 February 2022 accords with the leasehold register (to the extent this information is detailed therein)

IV. the information provided in any Landlord's Certificate including the vendor/leaseholder's name and address (which needs to accord to the leasehold register), the date on which the lease was granted and the name and number of the dwelling to which the lease relates, accords with the lease agreement (to the extent this information is detailed therein)

(d) where the leaseholder has indicated on the Leaseholder Deed of Certificate that the dwelling was sold before 14 February 2022 but the sale price is not known, you must search the UK Land Registry to verify this. Where no value is held at land registry we recognise this check cannot be completed and you do not need to query this with us.

(e) In respect of Section 5.14.17.B (a)-(d) above, where a check detailed within this section identifies information on paperwork relating to the remediation of a building is incorrect, this must be reported to us prior to completion/submission of the certificate of title.

(f) For property purchases only - based on the information collected and validated pursuant to this Section 5.14.17.B, you must ensure that the borrower understands the extent of any financial contribution they will be required to make towards the cost of remediation, the remediation status of the building and the impact of any remediation timescales.

5.15 Management Company

5.15.1 In paragraphs 5.15.1 to 5.15.2 the following meanings shall apply:

- "management company" means the company formed to carry out the maintenance and repair of the common parts;

- “common parts” means the structure, main walls, roof, foundations, services, grounds and any other common areas serving the building or estate of which the property forms part.

If a management company is required to maintain or repair the common parts, the management company should have a legal right to enter the property; if the management company’s right to so enter does not arise from a leasehold interest, then the tenants of the building should also be the members of the management company. If this is not the case, there should be a covenant by the landlord to carry out the obligations of the management company should it fail to do so. For leases granted before 1 September 2000, if the lease does not satisfy the requirements of paragraph 5.15.1 but you are nevertheless satisfied with the existing arrangements affecting the management company and the maintenance and repair of the common parts and you are able to provide a clear certificate of title, then we will rely on your professional judgement.

5.15.2 You should make a company search and verify that the company is in existence and registered at Companies House. You should also obtain the management company's last three years' published accounts (or the accounts from inception if the company has only been formed in the past three years). Any apparent problems with the company should be reported to us (see **part 2**). If the borrower is required to be a shareholder in the management company, check **part 2** to see if you must arrange for the share certificate, a blank stock transfer form executed by the borrower and a copy of the memorandum and articles of association to be sent to us after completion (unless we tell you not to). If the management company is limited by guarantee, the borrower (or at least one of them if two or more) must follow the procedure necessary to become a member after completion.

5.15.2a If different from 1.11, contact point if there are apparent problems with the management company:

Mortgage Loan Services PO Box 1477 Sunderland SR5 9XE , Only if all avenues to resolve have been exhausted.

IMPORTANT: ESTATE RENT CHARGES: Where a rent charge is payable on the property it will be acceptable, and as such you need not contact the issuing office, where at least one of the following is satisfied:

1. Where the rent charge owner is a management company owned by the residents of a private freehold development (as shareholders).
2. Where the rent charge instrument contains notification to the mortgagee of at least 21 days prior to any enforcement action by the rent charge owner.
3. Where the statutory remedies in section 121 of the Law of Property Act have been expressly excluded in the rent charge instrument.

5.16 Insolvency Considerations

5.16.1 You must obtain a clear bankruptcy search against each borrower (and each mortgagor or guarantor, if any) providing us with protection at the date of completion of the mortgage. You must fully investigate any entries revealed by your bankruptcy search against the borrower (or mortgagor or guarantor) to ensure that they do not relate to them.

5.16.2 Where an entry is revealed that may relate to the borrower (or the mortgagor or guarantor):

- you must be satisfied that the entry does not relate to the borrower (or the mortgagor or guarantor) if you are able to do so from your own knowledge or enquiries; or
- if, after obtaining office copy entries or making other enquiries of the Official Receiver, you are unable to satisfy yourself that the entry does not relate to the borrower (or the mortgagor or guarantor) you must report this to us (see **part 2**). We may as a consequence need to withdraw our mortgage offer.

5.16.3 If you are aware that the title to the property is subject to a deed of gift or a transaction at an apparent undervalue completed within five years of the proposed mortgage then you must be satisfied that we will acquire our interest in good faith and will be protected under the provisions of the Insolvency (No 2) Act 1994 against our security being set aside. If you are unable to give an unqualified certificate of title, you must arrange indemnity insurance (see section 9).

5.16.4 You must also obtain clear bankruptcy searches against all parties to any deed of gift or transaction at an apparent undervalue.

5.17 Powers of Attorney

5.17.1 If any document is being executed under power of attorney, you must ensure that the power of attorney is, on its face, properly drawn up, that it appears to be properly executed by the donor and that the attorney knows of no reason why such power of attorney will not be subsisting at completion.

5.17.2 Where there are joint borrowers the power should comply with section 25 of the Trustee Act 1925, as amended by section 7 of the Trustee Delegation Act 1999, or with section 1 of the Trustee Delegation Act 1999 with the attorney making an appropriate statement under section 2 of the 1999 Act.

5.17.3 In the case of joint borrowers, neither borrower may appoint the other as their attorney.

5.17.4 A power of attorney must not be used in connection with a regulated loan under the Consumer Credit Act 1974.

5.17.5 Check **part 2** to see if:

- the original or a certified copy of the power of attorney must be sent to us after completion; and

5.18 The Guarantee

5.18.1 Whilst we recommend that a borrower should try to obtain a full title guarantee from the seller, we do not insist on this. We, however, require the borrower to give us a full title guarantee in the mortgage deed. The mortgage deed must not be amended.

5.19 Affordable Housing: Shared Ownership and Shared Equity

5.19.1 Housing associations, other social landlords and developers sometimes provide schemes under which the borrower will not have 100% ownership of the property and a third party will also own a share or will be taking a charge over the title. In these cases you must check with us to see if we will lend and what our requirements are unless we have already provided these (see **part 2**).

5.19.1 If different from 1.11, contact point for lending on affordable housing, shared equity and shared ownership and where relevant your requirements:

Mortgage Loan Services PO Box 1477 Sunderland SR5 9XE

We will lend on both shared ownership and shared equity tenures.

For shared ownership leases, the borrower must be acquiring at least a 25% share and the lease must be in the Registered Social Landlord's standard form which includes a mortgagee protection clause. The RSL's consent to our charge should be obtained in the usual way.

For shared equity, you should satisfy yourself that the second charge, and in particular the insurance provisions, does not prejudice our security in any way. If the second charge contains a restriction, please refer to the Issuing Office.

Section 106 agreements

Buy to let applications

Where there is Section 106 agreement in place and the transaction is Buy to Let, you must inform us and the application will be declined.

The presence of a section 106 agreement is only acceptable for residential transactions.

Residential applications -General

The property must be used as the applicant's only or main residence.

You must notify us if you consider the existence of such an agreement will adversely affect our security.

Section 106 agreements must contain a mortgagee exclusion clause to protect the mortgagee in the event that the registered provider defaults.

You should obtain written confirmation from the borrowers that they are able to comply with any outstanding provisions in the Section 106 agreement (or that they will be carried out by another party), without making it a commercial proposition. You should retain this in your file.

Residential applications- Restrictions on re-sale/ disposal

The Section 106 agreement may stipulate that the Local authority has the right to nominate a buyer (meeting defined eligibility requirements) when the property is sold or disposed of: If such 'nomination rights' exist or there are any restrictions as to whom the subject property can be sold (whether by the borrower or mortgagee in possession), the clause must stipulate that the total time period within which an eligible buyer must have exchanged contracts / concluded missives should not exceed 3 months from receipt of the notice to sell; after which the mortgagee in possession must be free to market the property at the open market value, free from these restrictions.

The property must not be on a retirement development with an over 55 age restriction.

Residential applications-Re-sale price covenant (discounted purchase price)

Where the Section 106 is subject to a re-sale price covenant, meaning a discount applies in perpetuity, this is acceptable only where the restriction does not apply to the mortgagee in possession.

Residential applications-Moratorium period

Where a clause exists that provides for a registered social landlord, registered provider or local authority to buy back an affordable housing unit if the mortgagee serves default notice; this clause must stipulate that the sale will complete within a period no greater than 3 months from the date at which the mortgagee gives notice of their intention to dispose of the property; after which time the property must be released from affordable tenure enabling the mortgagee in possession to dispose of the security.

The clause must also stipulate that, should this right be exercised, the consideration should not be less than the amount due and outstanding under the terms of the relevant security documentation including all accrued principal monies, interest, costs and expenses.

6. The Property

6.1 Mortgage Offer and Title Documents

6.1.1 The loan to the borrower will not be made until all relevant conditions of the mortgage offer which need to be satisfied before completion have been complied with and we have received your certificate of title.

6.1.2 You must check your instructions and ensure that there are no discrepancies between them and the title documents and other matters revealed by your investigations.

6.1.3 You should tell us (see **part 2**) as soon as possible if you have been told that the borrower has decided not to take up the mortgage offer.

6.4 Incentives

6.4.1 You must obtain a completed copy of the [UK Finance Disclosure of Incentives Form](#) for any property that is yet to be occupied for the first time, or for the first time in its current form, for example, because of a renovation or conversion. You should only report incentives to the lender as instructed below.

6.4.2 You will not be able to send a completed Certificate of Title to the lender unless you have received the [UK Finance Disclosure of Incentives Form](#). When you send a completed Certificate of Title you are confirming you are in receipt of a completed UK Finance Disclosure of Incentives Form from the developer/seller's conveyancer which complies with your instructions.

6.4.3 This does not override your duty to the lender via the instructions provided elsewhere in the Lenders' Handbook.

6.4.4 You must tell us (unless we say differently in **part 2**) if the contract provides for or you become aware of any arrangement in which there is:

- a cashback to the buyer; or
- part of the price is being satisfied by a non-cash incentive to the buyer or
- any indirect incentive (cash or non cash) or rental guarantee.

Any such arrangement may lead to the mortgage offer being withdrawn or amended.

6.4.4 Does the lender require me to report incentives?

Residential:

All such incentives must be declared to the valuer on the UK Finance Disclosure form.

There is no restriction on the value of any incentives, such as cashback, or the payment of a deposit offered by builders, vendors or developers provided that the deposit/cashback does not have to be repaid and the builder does not intend to register a charge against the property. The borrower must provide at least a 5% personal stake (based on the lower of valuation or purchase price) You need only report incentives where these requirements are not met.

You are not required to send us a copy of the Disclosure of Incentives Form (DIF).

Buy to let: There is no restriction on the value of any incentives, such as cashback, or the payment of a deposit offered by builders, vendors or developers provided that providing the deposit/cashback does not have to be repaid and the builder does not intend to register a charge against the property. The borrower must provide at least a 25% personal stake (based on the lower of valuation or discounted purchase price less any builder/vendor incentives) e.g. where the full purchase price and valuation is £100,000 and the builder / vendor is providing a £5,000 cash incentive the applicant must provide a minimum of £23,750 (25% of £95,000) from their own resources towards the purchase; therefore, the maximum advance in this scenario would be £71,250 (75% of £95,000). You need only report incentives where these requirements are not met.

In all instances, where there is an incentive (financial or non-financial) being offered, the applicant(s) must provide full details of the type and amount as part of the application submission and all such incentives must be declared to the valuer on the UK Finance Disclosure form, in order that they can be taken into account when valuing the property.

You are not required to send us a copy of the Disclosure of Incentives Form (DIF).

6.6 Properties Let at Completion

6.6.1 Unless it is clear from the mortgage offer that the property is let or is to be let at completion then you must check with us whether we lend on "buy-to-let" properties and that the mortgage is for that purpose (see **part 2**).

6.6.1 If different from 1.11, contact point if property is let/to be let and to check you lend on buy-to-let:

Where the loan is explicitly identified in the Mortgage Offer as a Buy to Let purchase or remortgage, you do not need to inform us that the transaction is for Buy to Let purposes.

Where the BTL transaction includes a sale and lease back arrangement you only need you contact us if either of the following criteria are not met:

- Lease term is from 6 to 36 months
- The property must not be used for a sales office (except where the garage alone is to be used for such purpose)
- The tenant must not be the previous owner of the property.
- The property cannot be used as the site's official sales office – other than where the garage alone is to be used for such purpose.
- The developer's Licence Agreement that the property will be returned to original state must be evidenced.

6.7 New Properties - Building Standards Indemnity Schemes

6.7.1 If the property has been built or converted within the past ten years, or is to be occupied for the first time, you must ensure that it was built or converted under a scheme acceptable to us (see **part 2** for the list of schemes acceptable to us and our requirements).

6.7.1 What new home warranty schemes are acceptable to the lender?

NOTE: For our purposes the definition of a new home (or new-build) is a property that was first registered two or fewer years ago OR a property that is subject to first sale by the developer, irrespective of how much time has passed since the property was first registered or any rental usage in the interim (e.g. this may be because the property is a new construction, a conversion or a renovation from an earlier use):

Where a property was first registered more than two years ago, is not subject to a first sale and is 6 or more years old then this list does not apply but a copy of any warranty should be retained on your file as per 6.7.2

- ABC+,
- Advantage/ AHCI, (only warranties underwritten by CGICE),
- ARK 10 Year Structural Defects Insurance,
- Build Assure (New Homes Structural Defects Insurance),
- Build-Zone Structural Warranty (including Build-Care),

6.7.2 Where the cover under a scheme referred to in clause 6.7.1 is not yet in place before you send us the certificate of title, you must obtain a copy of a new home warranty provider's cover note from the developer. This does not apply to self-build schemes. Check **part 2** to see what new home warranty documentation should be sent to us after completion.

6.7.2 What new home warranty documentation should be sent to the lender?

6.7.4 Where the property does not have the benefit of a scheme under 6.7.1 and has been built or converted within the past 6 years check **part 2** to see if we will proceed and, if so, whether you must satisfy yourself that the building work is being monitored (or where the work is completed was monitored) by a professional consultant. If we do accept monitoring you should ensure that the professional consultant has provided the lender's Professional Consultant's Certificate which forms an appendix to this Handbook or such other form as we may provide. The professional consultant should also confirm to you that he has appropriate experience in the design or monitoring of the construction or conversion of residential buildings and has one or more of the following qualifications:

- fellow or member of the Royal Institution of Chartered Surveyors (FRICS or MRICS); or
- fellow or member of the Institution of Structural Engineers (F.I.Struct.E or M.I.Struct.E); or
- fellow or member of the Chartered Institute of Building (FCIOB or MCIQB); or
- fellow or member of the Architecture and Surveying Institute (FASI or MASI) (only if in conjunction with a FCIOB or MCIQB qualification); or
- fellow or member of the Chartered Association of Building Engineers (C.Build E MCABE and C.Build E FCABE); or
- member of the Chartered Institute of Architectural Technologists (formerly British Institute of Architectural Technologists) (MCIAT); or
- architect registered with the Architects Registration Board (ARB). An architect must be registered with the Architects Registration Board, even if also a member of another institution, for example the Royal Institute of British Architects (RIBA); or
- fellow or member of the Institution of Civil Engineers (FICE or MICE).

6.7.4 Will the lender proceed if the property does not have the benefit of a new home warranty scheme?

Yes, but the building work must be monitored or (if completed) have been monitored by a professional consultant with adequate professional indemnity insurance and the professional consultant has provided the Professional Consultant's Certificate (PCC) in the format set by UKF, however, please note:

- Where a PCC is being provided this must not have been issued retrospectively, and
- We will only accept a PCC for developments of no more than 5 houses or individual flat developments of no more than 5 flats.

A PCC must not be changed from the UKF standard template – It is the legal advisor's responsibility to check that there is no deviation to the standard template. Any deviation from the UK finance template will result in the property not being acceptable to the bank.

You should remind the borrower that they:

- Must maintain such buildings insurance throughout the mortgage term.

7. Other Occupiers

7.1 Rights or interests of persons who are not a party to the mortgage and who are or will be in occupation of the property may affect our rights under the mortgage, for example as overriding interests.

7.3 Unless we state otherwise (see **part 2**), you must obtain a signed deed or form of consent from all occupants aged 17 or over of whom you are aware who are not a party to the mortgage before completion of the mortgage. 8. Circumstances Requiring Independent Legal Advice

8.1 Unless we otherwise state (see **part 2**), you must not advise:

- any borrower who does not personally benefit from the loan; or
- any guarantor; or
- anyone intending to occupy the property who is to execute a consent to the mortgage and you must arrange for them to seek independent legal advice.

If you are acting in accordance with part 3 - Separate Representation Standard Instructions you should refer to [section 8](#) (Circumstances Requiring Independent Legal Advice) of part 3.

8.1 Does the lender allow me to advise any of the specified third parties?

Yes, in accordance with paragraph 8.2 of Part 1 of the Handbook and provided that the solicitor is satisfied there is no conflict of interest and that the document will not be open to legal challenge.

We require that Independent legal advice be given in the following scenarios:

- Where part of the loan is not for the benefit of all joint Borrowers Independent legal advice is required for the borrower not benefitting only where said part of the loan exceeds £50,000.
- Independent legal advice is required for any borrower who will not also be a proprietor of the subject property
- Independent legal advice is required for individuals opening a 'Helpful Start account' and providing a surety as part of Barclays 'Family Springboard' proposition
- Independent legal advice is not required for occupiers signing the consent form.

8.2 If we do allow you to advise any of these people, you must only do so after recommending in the absence of any other person interested in the transaction that such person obtains independent legal advice. Any advice that you give any of these people must also be given in the absence of any other person interested in the transaction. You should be particularly careful if the matrimonial home or family home is being charged to secure a business debt. Any consent should be signed by the person concerned. A power of attorney is not acceptable.

9. Indemnity Insurance

9.1 You must effect an indemnity insurance policy whenever the Lenders' Handbook identifies that this is an acceptable or required course to us to ensure that the property has a good and marketable title at completion. This paragraph does not relate to mortgage indemnity insurance. The draft policy should not be sent to us unless we ask for it. Check **part 2** to see if the policy must be sent to us after completion.

9.1 Does the lender need to be sent the indemnity insurance policy?

Only after completion with the title deeds. It should not be sent to the bank before for us to comment upon. It is considered the conveyancers duty to make sure the policy complies with the requirements in 9.2 below.

9.2 Where indemnity insurance is effected:

- you must approve the terms of the policy on our behalf; and
- the limit of indemnity must meet our requirements (see **part 2**); and
- the policy must be effected without cost to us; and
- you must disclose to the insurer all relevant information which you have obtained; and
- the policy must not contain conditions which you know would make it void or prejudice our interests; and
- you must provide a copy of the policy to the borrower and explain to the borrower why the policy was effected and that a further policy may be required if there is further lending against the security of the property; and
- you must explain to the borrower that the borrower will need to comply with any conditions of the policy and that the borrower should notify us of any notice or potential claim in respect of the policy; and

11. The Documentation

11.1 The Mortgage

11.1.1 The mortgage incorporates our current mortgage conditions and, where applicable, loan conditions. If the mortgage conditions booklet is supplied to you with your instructions you must give it to the borrower before completion of the mortgage.

11.1.2 You should explain to each borrower (and any other person signing or executing a document) his responsibilities and liabilities under the documents referred to in paragraph 11.1.1 and any documents he is required to sign.

11.2 Signing and Witnessing of Documents

11.2.1 Except where we specify otherwise in our individual instructions, the signature of a document that needs to be witnessed must be witnessed by an independent person. The witness's signature must clearly record the witnessing of the signing of the document by the individual concerned, and the name and address of the witness must appear in legible form. All documents required at completion must be dated with the date of completion of the loan.

12. Instalment Mortgages and Mortgage Advances Released in Instalments

12.1 Introduction

12.1.2 The borrower is expected to pay for as much work as possible from his own resources before applying to us for the first instalment. However, we may, if required, consider advancing a nominal sum on receipt of the certificate of title to enable the mortgage to be completed so long as the legal estate in the property is vested in the borrower.

12.1.3 The borrower is responsible for our valuer's fees for interim valuations as well as the first and final valuations.

12.2 Applications for Part of the Advance

12.2.1 As in the case of a normal mortgage account, funds for instalment mortgages may be sent to you. However, instalments (apart from the first which will be sent to you to enable you to complete the mortgage) can be sent directly to the borrower on request. We may make further payments and advances without reference to you.

12.3 Requests for Intermediate Funds

12.3.1 To allow time for a valuation to be carried out, your request should be sent to us (see **part 2**) at least 10 days before the funds are required.

12.3.1 If different from 1.11, contact point for release of retentions/mortgage advance instalments:

12.4 Building Contract as Security

12.4.1 We will not lend on the security of a building contract unless we tell you to the contrary. As a result the mortgage must not be completed and no part of the advance released until the title to the legal estate in the property has been vested by the borrower.

13. Mortgage Indemnity Insurance or Higher Lending Charge

13.1 You are reminded to tell the borrower that we (and not the borrower) are the insured under any mortgage indemnity

or similar form of insurance policy and that the insurer will have a subrogated right to claim against the borrower if it pays us under the policy. Different lenders call the various schemes of this type by different names. They may not involve an insurance policy.

14. After Completion

14.1 Registration

14.1.1 You must register our mortgage as a first legal charge at the Land Registry.

14.1.2 Where the borrower or mortgagor is a company an application to register the charge must be lodged at Companies House within the required time period.

14.1.3 Our mortgage conditions and mortgage deed have been deposited at the Land Registry and it is therefore unnecessary to submit a copy of the mortgage conditions on an application for registration.

14.1.4 Where the loan is to be made in instalments or there is any deferred interest retention or stage release, check **part 2** to see whether you must apply to Land Registry on form CH2 for entry of a notice on the register that we are under an obligation to make further advances. If the mortgage deed states that it secures further advances, and that the lender is under an obligation to make them, there is no need to submit a form CH2 provided the mortgage deed also states that application is made to the Registrar for a note to be entered on the register to that effect and the mortgage deed bears a Land Registry MD reference at its foot.

14.1.4 Does the lender require me to make a form CH2 application?

No.

Last updated: 16/04/2026

[View all answers to this question](#)

14.1.5 The application for registration must be received by the Land Registry during the priority period afforded by the subsisting Land Registry or Land Charges search at the time of completion. Please check **part 2** to see if we require the original mortgage deed and/or any other original title documents to be returned to us. You may use any available Land Registry process for registration including electronic registration. You should retain any original documents until you are satisfied that the registration is completed. You are not otherwise required by us to retain any original documents.

14.1.5 Does the lender need to be sent the original mortgage deed and/or any other original title documents?

No, but please retain a certified copy on your file.

You must include the MD reference (quoted on the Mortgage Deed) when submitting the application to register the security.

14.2 Title Deeds

14.2.1 All title deeds, official copies of the register (where these are issued by the Land Registry after registration), searches, enquiries, consents, requisitions and documents relating to the property in your possession must be held to our order pending completion of the retainer and you must not create or exercise any lien over them. Check **part 2** for our requirements on what you should do with these documents following registration. If registration at the Land Registry has not been completed within three months from completion you must advise us in writing with a copy of any correspondence with the Land Registry explaining the delay.

14.2.1 Where should the title deeds and documents be sent?

Residential Mortgages: We do not require title deeds to be sent to us.

Buy to Let mortgages: Documents should be sent to the following address: Barclays Mortgage Services Buy To Let PO

14.3 Your Mortgage File

14.3.1 For evidential purposes you must keep your file for at least six years from the date of the mortgage before destroying it. You should retain on file those documents as specified in these instructions, and/or our individual instructions, and any other documents which a reasonably competent solicitor/conveyancer would keep. Microfiche, data imaging or material held electronically constitutes suitable compliance with this requirement. It is the practice of some fraudsters to demand the conveyancing file on completion in order to destroy evidence that may later be used against them. It is important to retain these documents to protect our interests.

14.3.2 Where you are processing personal data (as defined in the Data Protection Act 1998) on our behalf, you must;

- take such security measures as are required to enable you to comply with obligations equivalent to those imposed on us by the seventh data protection principle in the 1998 Act; and
- process such personal data only in accordance with our instructions. In addition, you must allow us to conduct such reasonable audit of your information security measures as we require to ensure your compliance with your obligations in this paragraph.

14.3.3 Subject to any right of lien or any overriding duty of confidentiality, you should treat documents comprising your file as if they are jointly owned by the borrower and us and you should not part with them without the consent of both parties. You should on request supply certified copies of documents on the file or a certified copy of the microfiche to either the borrower or us, and may make a reasonable charge for copying and certification. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

15. Legal Costs

15.1 Your charges and disbursements are payable by the borrower and should be collected from the borrower on or before completion. You must not allow non-payment of fees or disbursements to delay the payment of stamp duty land tax, the lodging of any stamp duty land tax return and registration of documents.

16. Transactions During the Life of the Mortgage

16.1 Request for Title Documents

16.1.1 All requests for title documents should be made in writing and sent to us (see **part 2**). In making such a request you must have the consent of all of the borrowers to apply for the title documents.

16.2 Further Advances

16.2.1 Our mortgage secures further advances. Consequently, when a further advance is required for alterations or improvements to the property we will not normally instruct a member of our conveyancing panel but if you are instructed the appropriate provisions of this Handbook will apply.

16.3 Transfers of Equity

16.3.1 You must approve the transfer (which should be in the Land Registry's standard form) and, if we require, the deed of covenant on our behalf. Check **part 2** to see if we have standard forms of transfer and deed of covenant.

16.3.1 Does the lender have a standard form of transfer/deed of covenant?

- an original party to the mortgage (unless the mortgage conditions are being varied); or
- a person who has previously covenanted to that effect.

16.3.4 Any such covenant will either be in the transfer or in a separate deed of covenant. In a transfer, the wording of the covenant should be as follows, or as close as circumstances permit: "The new borrower agrees to pay the lender all the money due under the mortgage and will keep to all the terms of the mortgage." 16.3.5 If we have agreed to release a borrower or a guarantor and our standard transfer form (if any) includes no appropriate clause, you must add a simple form of release. The release clause should be as follows, or as close as circumstances permit: "The lender releases ... from [his/her/their] obligations under the mortgage." You should check whether a guarantor who is to be released was a party to the mortgage or to a separate guarantee.

16.3.6 You must obtain the consent of every guarantor of whom you are aware to the release of a borrower or, as the case may be, any other guarantor.

16.3.7 You must only submit the transfer to us for execution if it releases a party. All other parties must execute the transfer before it is sent to us. See **part 2** for where the transfer should be sent for sealing. **Part 2** also gives our approved form of attestation clause.
