1. General

Part 1 - Instructions and Guidance

Those lenders who instruct using the UK Finance Mortgage Lenders' Handbook certify that these instructions have been prepared to comply with the requirements of the Solicitors Regulation Authority (SRA's) Code of Conduct 2011 and the CLC Code of Conduct 2011.

1.1 The UK Finance Mortgage Lenders' Handbook is issued by UK Finance. Your instructions from an individual lender will indicate if you are being instructed in accordance with the Lenders' Handbook. If you are, the general provisions in part 1 and any **lender specific requirements in part 2** must be followed.

1.2 References to "**we**", "**us**" and "**our**" mean the lender from whom you receive instructions.

1.3 The Lenders' Handbook does not affect any responsibilities you have to us under the general law or any practice rule or guidance issued by your professional body from time to time.

1.4 The standard of care which we expect of you is that of a reasonably competent solicitor or licensed conveyancer acting on behalf of a mortgagee.

1.5 If you are regulated by the Solicitors Regulation Authority (SRA) the limitations contained in the SRA's Code of Conduct 2011 apply to the instructions contained in the Lenders' Handbook and any separate instructions.

1.6 You must also comply with any separate instructions you receive for an individual loan.

1.7 If the borrower and the mortgagor are not one and the same person, all references to "**borrower**" shall include the mortgagor. Check **part 2** to see if we lend in circumstances where the borrower and the mortgagor are not one and the same.

1.7 Contact point to see if the lender will lend when borrower and mortgagor are not one and the same.

No

1.8 References to "**borrower**" (and, if applicable, "**guarantor**" or, expressly or impliedly, the mortgagor) are to each borrower (and guarantor or mortgagor) named in the mortgage instructions/offer (if sent to the conveyancer). This applies to references in the Lenders' Handbook and in the certificate of title.

1.9 References to "**mortgage offer**" include any loan agreement, offer of mortgage or any other similar document.

1.10 If you are instructed in connection with any additional loan (including a further advance) then you should treat references to "mortgage" and "mortgage offer" as applying to such "additional loan" and "additional loan offer" respectively.

1.11 In any transaction during the lifetime of the mortgage when we instruct you, you must use our current standard documents in all cases and must not amend or generate them without our written consent. We will send you all the standard documents necessary to enable you to comply with our instructions, but please let us know if you need any other documents and we will send these to you. Check **part 2** to see who you should contact. If you consider that any of the documentation is inappropriate to the particular facts of a transaction, you should write to us (see **part 2**) with full details and any suggested amendments.

1.11a Contact point for standard documents.

Mortgage Centre - Address, fax, email and phone number on letter of instruction. Standard Documents to be obtained from the internet - www.natwest.com/conveyancers

If you are acting on our behalf in the purchase of a property which has not yet completed, you should contact us via the LMS portal. For all other queries our preference is for you to contact us by email.

1.12 In order to act on our behalf your firm must be a member of our conveyancing panel. You must also comply with any terms and conditions of your panel appointment.

1.12.1 Our instructions are personal to the firm to whom they are addressed and must be dealt with solely by that firm.

You must not sub-contract or assign our instructions to another firm or body, nor may you accept instructions to act for us from another body, unless we confirm in writing otherwise.

1.13 If you or a member of your immediate family (that is to say, a spouse, civil partner, co-habitee, parent, sibling,

child, step-parent, step-child, grandparent, grandchild, parent-in-law, or child-in-law) is the borrower and you are the sole practitioner, you must not act for us.

1.14 Your firm or company must not act for us if the partner or fee earner dealing with the transaction or a member of his immediate family is the seller, unless we say your firm may act (see **part 2**) and a separate fee earner of no less standing or a partner within the firm acts for us.

1.14 May your firm act if the person dealing with the transaction or a member of his immediate family is the seller?

1.16 If there is any conflict of interest, you must not act for us and must return our instructions.

1.17 Nothing in these instructions lessens your duties to the borrower. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

1.18 In addition to these definitions any reference to any regulation, legislation or legislative provision shall be construed as a reference to that regulation, legislation or legislative provision as amended, re-enacted or extended at the relevant time.

2. Communicating with the Lender

2.1 All communication between you and us should be in writing quoting the mortgage account or roll number, the surname and initials of the borrower and the property address. You should keep copies of all written communication on your file as evidence of notification and authorisation. If you use PC fax or e-mail, you should retain a copy in readable form.

2.2 If you require deeds or information from us in respect of a borrower or a property then you must first of all have the borrower's authority for such a request. If there is more than one borrower, you must have the authority of all the borrowers. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

2.3 If you need to report a matter to us, you must do so as soon as you become aware of it so as to avoid any delay. If you do not believe that a matter is adequately provided for in the Handbook, you should

- identify the relevant Handbook provision and the extent to which the issue is not covered by it.
- provide a concise summary of the legal risks.
- provide your recommendation on how we should protect our interest.

After reporting a matter you should not complete the mortgage until you have received our further written instructions. We recommend that you report such matters before exchange of contracts because we may have to withdraw or change the mortgage offer.

3. Safeguards

3.1 Safeguards for solicitors

3.1.1 This sub-section relates to solicitors and those working in practices regulated by the Solicitors Regulation Authority only.

3.1.2 You must follow the rules and guidance of your professional body relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow other relevant guidance, for example, the Law Society of England and Wales mortgage fraud practice note; the

Council for Licensed Conveyancers' Acting for Lenders and Prevention of Mortgage Fraud Code and Guidance, and take account of relevant regulatory warning notices.

3.1.3 If you are not familiar with the seller's regulated legal representatives (as defined by the Legal Services Act 2007 Schedule 4 and Schedule 2 paragraph 5), you must verify that they are currently on record with the Solicitors Regulation Authority, Council for Licensed Conveyancers or other legal regulatory body as practising at the address they have provided to you. Check **part 2** to see whether we require you to notify us of the name and address of the regulated legal representatives (as defined above) acting for the seller.

3.1.3 Does the lender require notification of the name and address of the solicitors firm or licensed conveyancers firm acting for the seller?

Please do not advise us of the firm acting for the seller, unless we specifically request.

3.2.1 **This sub-section applies to licensed conveyancers practices only.**

3.2.2 You must follow the professional guidance of the Council for Licensed Conveyancers relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow all other relevant guidance issued by the Council for Licensed Conveyancers.

3.2.5 Unless you personally know the signatory of a document, you must ask the signatory to provide evidence of identity, which you must carefully check. You must satisfy yourself that the person signing the document is the borrower, mortgagor or guarantor (as appropriate). If you have any concerns about the identity of the signatory you should notify us immediately.

3.2.6 You should check that any document you use to verify a signatory's identity appears to be authentic and current, signed in the relevant place. You should take a copy of it and keep the copy on your file. You should also check that the signatory's signature on any document being used to verify identity matches the signatory's signature on the document we require the signatory to sign and that the address shown on any document used to verify identity is that of the signatory.

4. Valuation of The Property

4.1 Check **part 2** to see whether we send you a copy of the valuation report or if you must get it from the borrower. If you get a copy of the valuation report from the borrower, we do not expect you to check the content of that report matches the information we hold. For the avoidance of doubt, regardless of where the report is obtained from, you must carry out the checks detailed in sections 4.2 and 4.3.

4.1 Is there a valuation report and if so, does the lender provide it?

If we have carried out a physical inspection of the interior of the property a copy of the valuation report will be provided

with the mortgage offer.

If we have not carried out a physical inspection we will not share a copy of the valuation report and questions in relation to the property should be addressed to the customer.

[View all answers to this question](#)

4.2 You must take reasonable steps to verify that there are no discrepancies between the description of the property as valued and the title and other documents which a reasonably competent conveyancer should obtain, and, if there are, you must tell us immediately.

4.3 You should take reasonable steps to verify that the assumptions stated by the valuer about the title (for example, its tenure, easements, boundaries and restrictions on its use) in the valuation and as stated in the mortgage offer are correct. If they are not, please let us know as soon as possible (see **part 2**) as it will be necessary for us to check with the valuer whether the valuation needs to be revised. We are not expecting you to assume the role of valuer. We are simply trying to ensure that the valuer has valued the property based on correct information.

4.3 If different from 1.11, contact point if assumptions stated by the valuer are incorrect.

4.4 We recommend that you should advise the borrower that there may be defects in the property which are not revealed by the inspection carried out by our valuer and there may be omissions or inaccuracies in the report which do not matter to us but which would matter to the borrower. We recommend that, if we send a copy of a valuation report that we have obtained, you should also advise the borrower that the borrower should not rely on the report in deciding whether to proceed with the purchase and that he obtains his own more detailed report on the condition and value of the property, based on a fuller inspection, to enable him to decide whether the property is suitable for his purposes.

4.5 Where the mortgage offer states that a final inspection is needed, you must ask for the final inspection at least 10 working days before the advance is required. Failure to do so may cause delay in the issue of the advance. Your certificate of title must be sent to us in the usual way.

4.5a If different from 1.11, contact point if re-inspection required.

5.3 Conflict of Interest

5.3.1 If any matter comes to your attention which you should reasonably expect us to consider important in deciding whether or not to lend to the borrower (such as whether the borrower has given misleading information to us or the information which you might reasonably expect to have been given to us is no longer true) and you are unable to disclose that information to us because of a conflict of interest, you must cease to act for us and return our instructions stating that you consider a conflict of interest has arisen. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

5.4 Searches and Reports

5.4.1 In carrying out your investigation, you must ensure that all usual and necessary searches and enquiries have been carried out. You must report any adverse entry to us but we do not want to be sent the search itself. We must be named as the applicant in the Land Registry search.

5.4.2 In addition, you must ensure that any other searches which may be appropriate to the particular property, taking into account its locality and other features are carried out.

5.4.3 All searches except where there is a priority period must not be more than six months old at completion.

5.4.4 You must advise us of any contaminated land entries revealed in the local authority search. Check **part 2** to see if we want to receive environmental or contaminated land reports (as opposed to contaminated land entries revealed in the local authority search). If we do not, you do not need to make these enquiries on our behalf.

5.4.4 Does the lender want to receive environmental or contaminated land reports?

No

Nor do we require copies of any ancillary reports that you have requested for the borrower. The reports must be provided to the borrower who must make full disclosure of any risks to the insurer prior to completion. They must obtain insurance under normal terms.

HS2: You do not need to make us aware of proposed proximity of the property to HS2 unless this is less than 300 meters.

Mining entry: You do not need to make us aware of a mining interpretive report.

If the entry is less than 20 metres the customer must be able to obtain insurance on a normal basis.

If you or the clients have any concerns, please refer to the originator of the report. We are happy to proceed if the clients are aware of the implications and you can submit a clear, unqualified Certificate of Title.

5.4.5 Check **part 2** to see if we accept personal searches.

5.4.5 Does the lender accept personal searches and, if yes, what are the lender's requirements?

5.4.6 Check **part 2** to see if we accept search insurance.

5.4.6 Does the lender accept search insurance and, if yes, what are the lender's specific requirements?

Yes, providing the search insurance adequately protects us and you are able to certify that the title is good and marketable and you can still give a clear Certificate of Title.

[View all answers to this question](#)

5.4.7 If we accept personal searches or search insurance you must ensure that:-

- a suitably qualified search agent carries out the personal search and has indemnity insurance that adequately protects us; or
- the search insurance policy adequately protects us.

5.4.8 You are satisfied that you will be able to certify that the title is good and marketable unless stated otherwise in our specific requirements listed in **part 2**.

5.5 Planning and Building Regulations

5.5.1 You must by making appropriate searches and enquiries take all reasonable steps (including any further enquiries to clarify any issues which may arise) to ensure:

- the property has the benefit of any necessary planning consents (including listed building consent) and building regulation approval for its construction and any subsequent change to the property and its current use; and
- there is no evidence of any breach of the conditions of that or any other consent or certificate affecting the property; and
- that no matter is revealed which would preclude the property from being used as a residential property or that the property may be the subject of enforcement action.

If there is evidence of such a breach or matter but in your professional judgment there is no reasonable prospect of enforcement action and, following reasonable enquiries, you are satisfied that the title is good and marketable and you can provide an unqualified certificate of title, we will not insist on indemnity insurance and you may proceed.

5.5.2 If there is such evidence and all outstanding conditions will not be satisfied by completion, where you are not able to provide an unqualified certificate of title, you should report this to us in accordance with 2.3.

5.5.3 Check **part 2** to see if copies of planning permissions, building regulations and other consents or certificates should be sent to us.

5.5.5 If different from 1.11, contact point if the property is subject to restrictions which may affect its value or marketability.

5.6 Good and Marketable Title

5.6.1 The title to the property must be good and marketable free of any restrictions, covenants, easements, charges or encumbrances which, at the time of completion, might reasonably be expected to materially adversely affect the value of the property or its future marketability (but excluding any matters covered by indemnity insurance) and which may be accepted by us for mortgage purposes. Our requirements in respect of indemnity insurance are set out in section 9. If, based on your professional judgment, you are able to provide an unqualified certificate of title, we will not require indemnity insurance. You must also take reasonable steps to ensure that, on completion, the property will be vested in the borrower.

5.6.2 Good **leasehold title** will be acceptable if:

- a marked abstract of the freehold and any intermediate leasehold title for the statutory period of 15 years before the grant of the lease is provided; or
- you are prepared to certify that the title is good and marketable when sending your certificate of title (because, for example, the landlord's title is generally accepted in the district where the property is situated); or
- you arrange indemnity insurance. Our requirements in respect of indemnity insurance are set out in section 9.

5.6.3 A title based on **adverse possession** or **possessory title** will be acceptable if the seller is or on completion the borrower will be registered at the Land Registry as registered proprietor of a possessory title. In the case of lost title deeds, the statutory declaration must explain the loss satisfactorily;

5.6.4 We will also require **indemnity insurance** where there are buildings on the part in question or where the land is essential for access or services;

5.6.5 We may not need indemnity insurance in cases where such title affects land on which no buildings are erected or which is not essential for access or services. In such cases, you must send a plan of the whole of the land to be mortgaged to us identifying the area of land having possessory title. We will refer the matter to our valuer so that an assessment can be made of the proposed security. We will then notify you of any additional requirements or if a revised mortgage offer is to be made.

5.7 Flying Freeholds and Freehold Flats

5.7.1 If any part of the property comprises or is affected by a flying freehold or the property is a freehold flat, check **part 2** to see if we will accept it as security.

5.7.1a Does the lender lend on flying freeholds?

Yes. Where it is possible to enforce positive covenants (e.g. a written agreement is in place to ensure maintenance, repair

and insurance of the building and common parts are shared equitably amongst all residents). The maximum Loan to Value is restricted to 90%.

5.7.1c If the lender is prepared to accept a title falling within 5.7 and the property is a freehold flat or flying freehold, to which contact point must this be reported?

As 1.11a

Last updated: 13/01/2025

[View all answers to this question](#)

5.7.2 If we are prepared to accept a title falling within 5.7.1:

- the property must have all necessary rights of support, protection, and entry for repair as well as a scheme of enforceable covenants that are also such that subsequent buyers are required to enter into covenants in identical form; and
- you must be able to certify that the title is good and marketable; and
- in the case of flying freeholds, you must send us a plan of the property clearly showing the part affected by the flying freehold.

If our requirements in the first bullet under 5.7.2 are not satisfied, indemnity insurance must be in place at completion (see section 9).

5.8 Other Freehold Arrangements

5.8.1 Unless we indicate to the contrary (see **part 2**), we have no objection to a security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases.

5.8.1 Does the lender accept security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases?

Yes

Last updated: 13/01/2025

[View all answers to this question](#)

5.8.2 If the borrower occupying one of the flats also owns the freehold, we will require our security to be:

- the freehold of the whole building subject to the long leases of the other flats; and
- any leasehold interest the borrower will have in the flat the borrower is to occupy.

5.8.3 If another flat owner owns the freehold of the building, the borrower must have a leasehold interest in the flat the borrower is to occupy and our security must be the borrower's leasehold interest in such flat.

5.8.4 The leases of all the flats should contain appropriate covenants by the tenant of each flat to contribute towards the repair, maintenance and insurance of the building. The leases should also grant and reserve all necessary rights and easements. They should not contain any unduly onerous obligations on the landlord.

5.8.5 Where the security will comprise:

- one of a block of not more than four leasehold flats and the borrower will also own the freehold jointly with one or more of the other flat owners in the building; or
- one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat; check **part 2** to see if we will accept it as security and if so, what our requirements will be.

5.8.5 Does the lender accept security which comprises one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat? If so, are there any specific requirements?

Yes - we would require our security to include the freehold reversion to the other flat as well as the leasehold flat to be occupied by the borrower.

5.9 Commonhold

5.9.1 If any part of the property comprises of commonhold, check **part 2** to see if we will accept it as security.

5.9.1 Does the lender lend on commonhold?

No

Last updated: 13/01/2025

[View all answers to this question](#)

5.9.2 If we are prepared to accept a title falling within 5.9.1, you must:

- ensure that the commonhold association has obtained insurance for the common parts which complies with our requirements (see 6.14);
- obtain a commonhold unit information certificate and ensure that all of the commonhold assessment in respect of the property has been paid up to the date of completion;
- ensure that the commonhold community statement does not include any material restrictions on occupation or use (see 5.6 and 5.10);
- ensure that the commonhold community statement provides that in the event of a voluntary termination of the commonhold the termination statement provides that the unit holders will ensure that any mortgage secured on their unit is repaid on termination;
- make a company search to verify that the commonhold association is in existence and remains registered, and that there is no registered indication that it is to be wound up; and
- within 14 days of completion, send the notice of transfer of a commonhold unit and notice of the mortgage to the commonhold association.

5.10 Restrictions on Use and Occupation

5.10.1 You must check whether there are any material restrictions on the occupation of the property as a private residence or as specified by us (for example, because of the occupier's employment, age or income), or any material restrictions on its use. If there are any restrictions, you must report details to us (see **part 2**). We may accept a restriction, particularly if this relates to sheltered housing or to first-time buyers.

5.10.1 If different from 1.11, contact point if there is a restriction on use.

[View all answers to this question](#)

5.11 Restrictive Covenants

5.11.1 You must enquire whether the property has been built, altered or is currently used in breach of a restrictive covenant. We rely on you to check that the covenant is not enforceable. If you are unable to provide an unqualified certificate of title as a result of the risk of enforceability you must ensure (subject to paragraph 5.11.2) that indemnity insurance is in place at completion of our mortgage (see section 9).

5.11.2 If there is evidence of a breach and, following reasonable enquiries, you are satisfied that the title is good and marketable; you can provide an unqualified certificate of title and the breach has continued for more than 20 years without challenge, then we will not insist on indemnity insurance.

5.12 First Legal Charge

5.12.1 On completion, we require a fully enforceable first charge by way of legal mortgage over the property executed by all owners of the legal estate. All existing charges must be redeemed on or before completion, unless we agree that an existing charge may be postponed to rank after our mortgage. Our standard deed or form of postponement must be used.

5.13 Balance of Purchase Price

5.13.1 You must ask the borrower how the balance of the purchase price is being provided. If you become aware that the borrower is not providing the balance of the purchase price from his own funds or is proposing to give a second charge over the property, you must report this to us if the borrower agrees (see **part 2**), failing which you must return our instructions and explain that you are unable to continue to act for us as there is a conflict of interest. You should also have regard to 6.3.1 with regard to any implications on the purchase price.

5.13.1 If different from 1.11, contact point if borrower is not providing balance of purchase price from funds/proposing to give second charge.

Deposits and gifts from parents and guardians are acceptable. We will agree to a second ranking change in favour of the parents/guardians.

Any monthly cost (including any interest payable in relation to the gift/deposit) relating to the repayment of the gift/deposit will be included in the affordability calculation.

This does not apply to foreign nationals who do not have a permanent right to reside in the UK. Their deposit must be from their own resources.

Deposits/gifts from other third parties who are not the seller are acceptable but only if there is no repayment required of the deposit/gift. We will not agree to a second ranking legal charge in favour of that third party, even if the deposit/gift is not repayable.

Gifts from sellers where no repayment is required will be treated as an incentive and this will affect the purchase price and/or the maximum that we will lend.

5.14 Leasehold Property

5.14.1 Our requirements on the unexpired term of a lease offered as security are set out in **part 2**.

5.14.1 What minimum unexpired lease term does the lender accept?

Mortgage term plus 30 years.

5.14.2 There must be no provision for forfeiture on the insolvency of the tenant or any superior tenant.

5.14.3 The only situations where we will accept a restriction on the mortgage or assignment (whether by a tenant or a mortgagee) of the lease is where the person whose consent needs to be obtained cannot unreasonably withhold giving consent. The necessary consent for the particular transaction must be obtained before completion. If the lease requires consent to an assignment or mortgage to be obtained, you must obtain these on or before completion (this is particularly important if the lease is a shared ownership lease). You must not complete without them.

5.14.4 You must take reasonable steps to check that:

- there are satisfactory legal rights, particularly for access, services, support, shelter and protection; and
- there are also adequate covenants and arrangements in respect of the following matters, buildings insurance, maintenance and repair of the structure, foundations, main walls, roof, common parts, common services and grounds (the "common services").

5.14.5 You should ensure that responsibility for the insurance, maintenance and repair of the common services is that of:

- the landlord; or
- one or more of the tenants in the building of which the property forms part; or
- the management company - see sub-section 5.15.

5.14.6 Where the responsibility for the insurance, maintenance and repair of the common services is that of one or more of the tenants the lease must contain adequate provisions for the enforcement of these obligations by the landlord or management company at the request of the tenant.

5.14.7 In the absence of a provision in the lease that all leases of other flats in the block are in, or will be granted in, substantially similar form, you should take reasonable steps to check that the leases of the other flats are in similar form. If you are unable to do so, you should effect indemnity insurance (see section 9). This is not essential if the landlord is responsible for the maintenance and repair of the main structure.

5.14.8 We do not require enforceability covenants mutual or otherwise for other tenant covenants.

5.14.9 We have no objection to a lease which contains provision for a periodic increase of the ground rent provided that the amount of the increased ground rent is fixed or can be readily established and is reasonable. If you consider any increase in the ground rent may materially affect the value of the property, you must report this to us (see **part 2**).

5.14.9 If different from 1.11, contact point for matters connected with the lease:

As 1.11a.

1. Where ground rent provisions cause (or, during the term of the mortgage, are likely to cause) the lease to be treated as an Assured Shorthold Tenancy under the Housing Act 1988, this need not be reported to us if either:

- a. the Lease can be varied to restrict the ground rent below the statutory level; or
- b. a suitable indemnity policy is put in place to protect us (but please notify us about the policy in accordance with the Indemnity Insurance instructions)

2. Any onerous ground rent provisions should be reported to us. In particular, provisions which allow for ground rents to be increased over and above the Retail Price Index (or other inflation-linked index) are considered to be onerous and are unlikely to be acceptable to the Bank e.g. multipliers such as doubling after fixed periods of less than 25 years; or fixed increases which are clearly above inflation expectation.

3. Where it has not been possible to vary the terms of the lease so that we are appropriately protected, then we will accept a suitable indemnity insurance policy. You must be satisfied that the policy adequately protects the bank from the risks of the lease being deemed to be an assured shorthold tenancy and be able to provide a clean COT on the basis of the policy being in place. We do not review the terms of any proposed policy

4. If the proposed security is a new, qualifying long residential leasehold property, covered by the obligations laid down in the Leasehold Reform (Ground Rents) Act 2022 you must check:

- that the ground rent is no more than “one peppercorn per year” or “peppercorn rent”; and
- that there are adequate provisions for repairs, maintenance, insurance etc. and an adequate maintenance charge.

If confirmation of payment from the landlord cannot be obtained, we are prepared to proceed provided that you are satisfied that the absence of the landlord is common practice in the district where the property is situated, the seller confirms there are no breaches of the terms of the lease, you are satisfied that our security will not be prejudiced by the absence of such a receipt and you provide us with a clear certificate of title.

5.14.16 You must check a certified or official copy of the original lease. In the case of a registered lease where the original lease is now lost, or destroyed by Land Registry, we are prepared to proceed provided you have checked an official copy of the lease from the Land Registry.

5.14.17 This section applies only to purchases of leasehold flats in England situated in a 'relevant building' as defined in the Building Safety Act 2022 (Guidance on 'relevant buildings' can be found here: [Definition of 'relevant building'](#)). See Part 2s for our requirements on purchases and remortgages. Where the security will comprise such a leasehold flat you must request the following information from the seller's conveyancer about the building in which the flat is situated :

- Confirmation as to whether the building has been or will be remediated under the Building Safety Act 2022.
- Copies of any Landlord's Certificates, signed by the Landlord in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022.
- Copies of any executed Leaseholder Deed of Certificate (in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022) and confirmation that they have been submitted by the relevant leaseholder to the landlord.

- there are no cladding or fire safety issues present and/or

5.15 Management Company

5.15.1 In paragraphs 5.15.1 to 5.15.2 the following meanings shall apply:

- “management company” means the company formed to carry out the maintenance and repair of the common parts;
- “common parts” means the structure, main walls, roof, foundations, services, grounds and any other common areas serving the building or estate of which the property forms part.

If a management company is required to maintain or repair the common parts, the management company should have a legal right to enter the property; if the management company's right to so enter does not arise from a leasehold interest, then the tenants of the building should also be the members of the management company. If this is not the case, there should be a covenant by the landlord to carry out the obligations of the management company should it fail to do so. For leases granted before 1 September 2000, if the lease does not satisfy the requirements of paragraph 5.15.1 but you are nevertheless satisfied with the existing arrangements affecting the management company and the maintenance and repair of the common parts and you are able to provide a clear certificate of title, then we will rely on your professional judgement.

5.15.2 You should make a company search and verify that the company is in existence and registered at Companies House. You should also obtain the management company's last three years' published accounts (or the accounts from inception if the company has only been formed in the past three years). Any apparent problems with the company should be reported to us (see **part 2**). If the borrower is required to be a shareholder in the management company, check **part 2** to see if you must arrange for the share certificate, a blank stock transfer form executed by the borrower and a copy of the memorandum and articles of association to be sent to us after completion (unless we tell you not to). If the management company is limited by guarantee, the borrower (or at least one of them if two or more) must follow the procedure necessary to become a member after completion.

5.16 Insolvency Considerations

5.16.1 You must obtain a clear bankruptcy search against each borrower (and each mortgagor or guarantor, if any) providing us with protection at the date of completion of the mortgage. You must fully investigate any entries revealed by your bankruptcy search against the borrower (or mortgagor or guarantor) to ensure that they do not relate to them.

5.16.2 Where an entry is revealed that may relate to the borrower (or the mortgagor or guarantor):

- you must be satisfied that the entry does not relate to the borrower (or the mortgagor or guarantor) if you are able to do so from your own knowledge or enquiries; or
- if, after obtaining office copy entries or making other enquiries of the Official Receiver, you are unable to satisfy yourself that the entry does not relate to the borrower (or the mortgagor or guarantor) you must report this to us (see **part 2**). We may as a consequence need to withdraw our mortgage offer.

5.16.3 If you are aware that the title to the property is subject to a deed of gift or a transaction at an apparent undervalue completed within five years of the proposed mortgage then you must be satisfied that we will acquire our interest in good faith and will be protected under the provisions of the Insolvency (No 2) Act 1994 against our security being set aside. If you are unable to give an unqualified certificate of title, you must arrange indemnity insurance (see section 9).

5.16.4 You must also obtain clear bankruptcy searches against all parties to any deed of gift or transaction at an apparent undervalue.

5.17 Powers of Attorney

5.17.1 If any document is being executed under power of attorney, you must ensure that the power of attorney is, on its face, properly drawn up, that it appears to be properly executed by the donor and that the attorney knows of no reason why such power of attorney will not be subsisting at completion.

5.17.2 Where there are joint borrowers the power should comply with section 25 of the Trustee Act 1925, as amended by section 7 of the Trustee Delegation Act 1999, or with section 1 of the Trustee Delegation Act 1999 with the attorney making an appropriate statement under section 2 of the 1999 Act.

5.17.3 In the case of joint borrowers, neither borrower may appoint the other as their attorney.

5.17.4 A power of attorney must not be used in connection with a regulated loan under the Consumer Credit Act 1974.

5.17.5 Check **part 2** to see if:

- the original or a certified copy of the power of attorney must be sent to us after completion; and
- where the power of attorney is a general power of attorney and was completed more than 12 months before the completion of our mortgage, whether you must send us a statutory declaration confirming that it has not been revoked.

5.18 The Guarantee

5.18.1 Whilst we recommend that a borrower should try to obtain a full title guarantee from the seller, we do not insist on this. We, however, require the borrower to give us a full title guarantee in the mortgage deed. The mortgage deed must not be amended.

5.19 Affordable Housing: Shared Ownership and Shared Equity

5.19.1 Housing associations, other social landlords and developers sometimes provide schemes under which the borrower will not have 100% ownership of the property and a third party will also own a share or will be taking a charge over the title. We do not lend on shared ownership properties other than in circumstances where the transaction in question will result in the borrower owning 100% of the property at completion.

You should only report incentives to the lender as instructed below.

6.4.2 You will not be able to send a completed Certificate of Title to the lender unless you have received the [UK Finance Disclosure of Incentives Form](#). When you send a completed Certificate of Title you are confirming you are in receipt of a completed UK Finance Disclosure of Incentives Form from the developer/seller's conveyancer which complies with your instructions.

6.4.3 This does not override your duty to the lender via the instructions provided elsewhere in the Lenders' Handbook.

6.4.4 You must tell us (unless we say differently in **part 2**) if the contract provides for or you become aware of any arrangement in which there is:

- a cashback to the buyer; or
- part of the price is being satisfied by a non-cash incentive to the buyer or
- any indirect incentive (cash or non cash) or rental guarantee.

Any such arrangement may lead to the mortgage offer being withdrawn or amended.

6.4.4 Does the lender require me to report incentives?

Yes. We do not accept any incentives other than some builder's incentives for new build properties.

You need to notify us of any incentives detailed on the UK Finance Disclosure Form totaling more than 5% of the purchase price. Please do not send the form to us, even if only for information purposes. We do not need to see this form.

6.14 Insurance

6.14.1 You must make reasonable enquiries to satisfy yourself that buildings insurance has been arranged for the property from no later than completion.

- Must have buildings insurance in accordance with the requirements of the mortgage contract no later than completion, and
- Must maintain such buildings insurance throughout the mortgage term.

7. Other Occupiers

7.1 Rights or interests of persons who are not a party to the mortgage and who are or will be in occupation of the property may affect our rights under the mortgage, for example as overriding interests.

7.2 If your instructions state the name of a person who is to live at the property, you should ask the borrower before completing the mortgage that the information given by us in our mortgage instructions or mortgage offer about occupants is correct and nobody else is to live at the property.

7.3 Unless we state otherwise (see **part 2**), you must obtain a signed deed or form of consent from all occupants aged 17 or over of whom you are aware who are not a party to the mortgage before completion of the mortgage. If you are acting in accordance with part 3 - Separate Representation Standard Instructions you should refer to [section 7](#) ('Other occupiers') of part 3.

- you must explain to the borrower that the borrower will need to comply with any conditions of the policy and that

- the borrower should notify us of any notice or potential claim in respect of the policy; and

11. The Documentation

11.1 The Mortgage

11.1.1 The mortgage incorporates our current mortgage conditions and, where applicable, loan conditions. If the mortgage conditions booklet is supplied to you with your instructions you must give it to the borrower before completion of the mortgage.

11.1.2 You should explain to each borrower (and any other person signing or executing a document) his responsibilities and liabilities under the documents referred to in paragraph 11.1.1 and any documents he is required to sign.

11.2 Signing and Witnessing of Documents

11.2.1 Except where we specify otherwise in our individual instructions, the signature of a document that needs to be witnessed must be witnessed by an independent person. The witness's signature must clearly record the witnessing of the signing of the document by the individual concerned, and the name and address of the witness must appear in legible form. All documents required at completion must be dated with the date of completion of the loan.

12. Instalment Mortgages and Mortgage Advances Released in Instalments

12.1 Introduction

12.1.2 The borrower is expected to pay for as much work as possible from his own resources before applying to us for the first instalment. However, we may, if required, consider advancing a nominal sum on receipt of the certificate of title to enable the mortgage to be completed so long as the legal estate in the property is vested in the borrower.

12.1.3 The borrower is responsible for our valuer's fees for interim valuations as well as the first and final valuations.

12.2 Applications for Part of the Advance

12.2.1 As in the case of a normal mortgage account, funds for instalment mortgages may be sent to you. However, instalments (apart from the first which will be sent to you to enable you to complete the mortgage) can be sent directly to the borrower on request. We may make further payments and advances without reference to you.

12.3 Requests for Intermediate Funds

12.3.1 To allow time for a valuation to be carried out, your request should be sent to us (see **part 2**) at least 10 days before the funds are required.

12.4 Building Contract as Security

12.4.1 We will not lend on the security of a building contract unless we tell you to the contrary. As a result the mortgage must not be completed and no part of the advance released until the title to the legal estate in the property has been vested by the borrower.

13. Mortgage Indemnity Insurance or Higher Lending Charge

13.1 You are reminded to tell the borrower that we (and not the borrower) are the insured under any mortgage indemnity or similar form of insurance policy and that the insurer will have a subrogated right to claim against the borrower if it pays us under the policy. Different lenders call the various schemes of this type by different names. They may not involve an insurance policy.

14. After Completion

14.1 Registration

14.1.1 You must register our mortgage as a first legal charge at the Land Registry.

14.1.2 Where the borrower or mortgagor is a company an application to register the charge must be lodged at Companies House within the required time period.

14.1.3 Our mortgage conditions and mortgage deed have been deposited at the Land Registry and it is therefore unnecessary to submit a copy of the mortgage conditions on an application for registration.

14.1.4 Where the loan is to be made in instalments or there is any deferred interest retention or stage release, check **part 2** to see whether you must apply to Land Registry on form CH2 for entry of a notice on the register that we are under an obligation to make further advances. If the mortgage deed states that it secures further advances, and that the lender is under an obligation to make them, there is no need to submit a form CH2 provided the mortgage deed also states that application is made to the Registrar for a note to be entered on the register to that effect and the mortgage deed bears a

Land Registry MD reference at its foot.

14.1.4 Does the lender require me to make a form CH2 application?

A CH2 application is required where the Offer of Loan refers to the availability of a Reserve Facility, either as a special condition or as a flexible feature.

14.1.5 The application for registration must be received by the Land Registry during the priority period afforded by the subsisting Land Registry or Land Charges search at the time of completion. Please check **part 2** to see if we require the original mortgage deed and/or any other original title documents to be returned to us. You may use any available Land Registry process for registration including electronic registration. You should retain any original documents until you are satisfied that the registration is completed. You are not otherwise required by us to retain any original documents.

14.1.5 Does the lender need to be sent the original mortgage deed and/or any other original title documents?

No. You should either send the original mortgage deed to HM Land Registry or, in circumstances where you choose to send a certified copy to HM Land Registry or where the application for registration of the mortgage is made by way of the e-Document Registration Service, please retain the original on your file.

The application for registration of our first ranking legal charge must be received by the Land Registry during the priority period. Where you have been unable to register the charge within thirty days of completion you are required to update the LMS system with a reason for the delay at least every thirty days until registration is complete and the required documents have been uploaded. For cases where you have not been instructed through the LMS system please update our Mortgage Centre using the contact details at 1.11.

We do not need you to confirm to us that completion has occurred.

14.2 Title Deeds

14.2.1 All title deeds, official copies of the register (where these are issued by the Land Registry after registration), searches, enquiries, consents, requisitions and documents relating to the property in your possession must be held to our order pending completion of the retainer and you must not create or exercise any lien over them. Check **part 2** for our requirements on what you should do with these documents following registration. If registration at the Land Registry has not been completed within three months from completion you must advise us in writing with a copy of any correspondence with the Land Registry explaining the delay.

14.2.1 Where should the title deeds and documents be sent?

Where you have been instructed through the LMS system charge registration documents and delay reasons should be provided to LMS as set out in 14.2.2.

Where you have not been instructed through the LMS system we do not require charge registration documents.

You should seek the Borrowers instructions in relation to all other title deeds and documents which we do not require (as detailed in our instruction letter and Deeds Schedule).

14.3 Your Mortgage File

14.3.1 For evidential purposes you must keep your file for at least six years from the date of the mortgage before destroying it. You should retain on file those documents as specified in these instructions, and/or our individual instructions, and any other documents which a reasonably competent solicitor/conveyancer would keep. Microfiche, data imaging or material held electronically constitutes suitable compliance with this requirement. It is the practice of some fraudsters to demand the conveyancing file on completion in order to destroy evidence that may later be used against them. It is important to retain these documents to protect our interests.

14.3.2 Where you are processing personal data (as defined in the Data Protection Act 1998) on our behalf, you must;

- take such security measures as are required to enable you to comply with obligations equivalent to those imposed on us by the seventh data protection principle in the 1998 Act; and
- process such personal data only in accordance with our instructions. In addition, you must allow us to conduct such reasonable audit of your information security measures as we require to ensure your compliance with your obligations in this paragraph.

14.3.3 Subject to any right of lien or any overriding duty of confidentiality, you should treat documents comprising your file as if they are jointly owned by the borrower and us and you should not part with them without the consent of both parties. You should on request supply certified copies of documents on the file or a certified copy of the microfiche to either the borrower or us, and may make a reasonable charge for copying and certification. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

15. Legal Costs

15.1 Your charges and disbursements are payable by the borrower and should be collected from the borrower on or before completion. You must not allow non-payment of fees or disbursements to delay the payment of stamp duty land tax, the lodging of any stamp duty land tax return and registration of documents.

16. Transactions During the Life of the Mortgage

16.1 Request for Title Documents

16.1.1 All requests for title documents should be made in writing and sent to us (see **part 2**). In making such a request you must have the consent of all of the borrowers to apply for the title documents.

16.1.1 If different from 1.11, contact point for title documents:

- although the transfer should state that it is subject to the mortgage (identified by date and parties), it need give no details of the terms of the mortgage;
- the transfer need not state the amount of the mortgage debt. If it does, the figure should include both principal and interest at the date of completion, which you must check (see **part 2** for where to obtain this);

- an original party to the mortgage (unless the mortgage conditions are being varied); or

In a transfer, the wording of the covenant should be as follows, or as close as circumstances permit: "The new borrower agrees to pay the lender all the money due under the mortgage and will keep to all the terms of the mortgage." If it is in the transfer, you must place a certified copy of the transfer with the deeds (unless we tell you not to in **part 2**).

16.3.4 Does the lender need to be sent the transfer of equity?

16.3.5 If we have agreed to release a borrower or a guarantor and our standard transfer form (if any) includes no appropriate clause, you must add a simple form of release. The release clause should be as follows, or as close as circumstances permit: "The lender releases ... from [his/her/their] obligations under the mortgage." You should check whether a guarantor who is to be released was a party to the mortgage or to a separate guarantee.

16.3.6 You must obtain the consent of every guarantor of whom you are aware to the release of a borrower or, as the case may be, any other guarantor.

16.3.7 You must only submit the transfer to us for execution if it releases a party. All other parties must execute the transfer before it is sent to us. See **part 2** for where the transfer should be sent for sealing. **Part 2** also gives our approved form of attestation clause.
