1. General

Part 1 - Instructions and Guidance

Those lenders who instruct using the UK Finance Mortgage Lenders' Handbook certify that these instructions have been prepared to comply with the requirements of the Solicitors Regulation Authority (SRA's) Code of Conduct 2011 and the CLC Code of Conduct 2011.

1.1 The UK Finance Mortgage Lenders' Handbook is issued by UK Finance. Your instructions from an individual lender

will indicate if you are being instructed in accordance with the Lenders' Handbook. If you are, the general provisions in part 1 and any **lender specific requirements in part 2** must be followed.

1.2 References to "**we**", "**us**" and "**our**" mean the lender from whom you receive instructions.

1.3 The Lenders' Handbook does not affect any responsibilities you have to us under the general law or any practice rule or guidance issued by your professional body from time to time.

1.4 The standard of care which we expect of you is that of a reasonably competent solicitor or licensed conveyancer acting on behalf of a mortgagee.

1.5 If you are regulated by the Solicitors Regulation Authority (SRA) the limitations contained in the SRA's Code of Conduct 2011 apply to the instructions contained in the Lenders' Handbook and any separate instructions.

1.6 You must also comply with any separate instructions you receive for an individual loan.

1.7 If the borrower and the mortgagor are not one and the same person, all references to "**borrower**" shall include the mortgagor. Check **part 2** to see if we lend in circumstances where the borrower and the mortgagor are not one and the same.

1.7 Contact point to see if the lender will lend when borrower and mortgagor are not one and the same.

We do not lend under these circumstances.

1.8 References to "**borrower**" (and, if applicable, "**guarantor**" or, expressly or impliedly, the mortgagor) are to each borrower (and guarantor or mortgagor) named in the mortgage instructions/offer (if sent to the conveyancer). This applies to references in the Lenders' Handbook and in the certificate of title.

1.9 References to "**mortgage offer**" include any loan agreement, offer of mortgage or any other similar document.

1.10 If you are instructed in connection with any additional loan (including a further advance) then you should treat references to "mortgage" and "mortgage offer" as applying to such "additional loan" and "additional loan offer" respectively.

1.11 In any transaction during the lifetime of the mortgage when we instruct you, you must use our current standard documents in all cases and must not amend or generate them without our written consent. We will send you all the standard documents necessary to enable you to comply with our instructions, but please let us know if you need any other documents and we will send these to you. Check **part 2** to see who you should contact. If you consider that any of the documentation is inappropriate to the particular facts of a transaction, you should write to us (see **part 2**) with full details and any suggested amendments.

1.11a Contact point for standard documents.

1.12 In order to act on our behalf your firm must be a member of our conveyancing panel. You must also comply with any terms and conditions of your panel appointment.

1.12.1 Our instructions are personal to the firm to whom they are addressed and must be dealt with solely by that firm. You must not sub-contract or assign our instructions to another firm or body, nor may you accept instructions to act for us from another body, unless we confirm in writing otherwise.

1.13 If you or a member of your immediate family (that is to say, a spouse, civil partner, co-habitee, parent, sibling, child, step-parent, step-child, grandparent, grandchild, parent-in-law, or child-in-law) is the borrower and you are the sole practitioner, you must not act for us.

1.14 Your firm or company must not act for us if the partner or fee earner dealing with the transaction or a member of his immediate family is the seller, unless we say your firm may act (see **part 2**) and a separate fee earner of no less standing or a partner within the firm acts for us.

1.14 May your firm act if the person dealing with the transaction or a member of his immediate family is the seller?

No.

1.15 Your firm or company must not act for us if the partner or fee earner dealing with the transaction or a member of his immediate family is the borrower, unless we say your firm may act (see **part 2**) and a separate fee earner of no less standing or a partner within the firm acts for us.

1.15 May your firm act if the person dealing with the transaction or a member of his immediate family is the borrower?

No.

1.16 If there is any conflict of interest, you must not act for us and must return our instructions.

1.17 Nothing in these instructions lessens your duties to the borrower. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

1.18 In addition to these definitions any reference to any regulation, legislation or legislative provision shall be construed as a reference to that regulation, legislation or legislative provision as amended, re-enacted or extended at the relevant time.

2. Communicating with the Lender

2.1 All communication between you and us should be in writing quoting the mortgage account or roll number, the surname and initials of the borrower and the property address. You should keep copies of all written communication on your file as evidence of notification and authorisation. If you use PC fax or e-mail, you should retain a copy in readable form.

2.2 If you require deeds or information from us in respect of a borrower or a property then you must first of all have the borrower's authority for such a request. If there is more than one borrower, you must have the authority of all the borrowers. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

2.3 If you need to report a matter to us, you must do so as soon as you become aware of it so as to avoid any delay. If you do not believe that a matter is adequately provided for in the Handbook, you should

- identify the relevant Handbook provision and the extent to which the issue is not covered by it.
- provide a concise summary of the legal risks.
- provide your recommendation on how we should protect our interest.

After reporting a matter you should not complete the mortgage until you have received our further written instructions. We recommend that you report such matters before exchange of contracts because we may have to withdraw or change the mortgage offer.

3. Safeguards

3.1 Safeguards for solicitors

3.1.1 This sub-section relates to solicitors and those working in practices regulated by the Solicitors Regulation Authority only.

3.1.2 You must follow the rules and guidance of your professional body relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow other relevant guidance, for example, the Law Society of England and Wales mortgage fraud practice note; the Council for Licensed Conveyancers' Acting for Lenders and Prevention of Mortgage Fraud Code and Guidance, and take account of relevant regulatory warning notices.

3.1.3 If you are not familiar with the seller's regulated legal representatives (as defined by the Legal Services Act 2007

Schedule 4 and Schedule 2 paragraph 5), you must verify that they are currently on record with the Solicitors Regulation Authority, Council for Licensed Conveyancers or other legal regulatory body as practising at the address they have provided to you. Check **part 2** to see whether we require you to notify us of the name and address of the regulated legal representatives (as defined above) acting for the seller.

3.1.3 Does the lender require notification of the name and address of the solicitors firm or licensed conveyancers firm acting for the seller?

No but you should ensure they are registered with their regulatory body and maintain current practising certificates.

3.1.4 If the seller does not have legal representation you should check **part 2** to see whether or not we need to be notified so that a decision can be made as to whether or not we are prepared to proceed.

- any other document listed in the additional list B in **part 2**.

3.1.5 What other documents are acceptable for verifying identity?

[View all answers to this question](#)

3.1.6 You should check that any document you use to verify a signatory's identity appears to be authentic and current, signed in the relevant place. You should take a copy of it and keep the copy on your file. You should also check that the signatory's signature on any document being used to verify identity matches the signatory's signature on the document we require the signatory to sign and that the address shown on any document used to verify identity is that of the signatory.

3.2 Safeguards for licensed conveyancers

3.2.1 **This sub-section applies to licensed conveyancers practices only.**

3.2.2 You must follow the professional guidance of the Council for Licensed Conveyancers relating to money laundering and comply with the current money laundering regulations and the Proceeds of Crime Act 2002 to the extent that they apply and you must follow all other relevant guidance issued by the Council for Licensed Conveyancers.

3.2.5 Unless you personally know the signatory of a document, you must ask the signatory to provide evidence of identity, which you must carefully check. You must satisfy yourself that the person signing the document is the borrower, mortgagor or guarantor (as appropriate). If you have any concerns about the identity of the signatory you should notify us immediately.

3.2.6 You should check that any document you use to verify a signatory's identity appears to be authentic and current, signed in the relevant place. You should take a copy of it and keep the copy on your file. You should also check that the signatory's signature on any document being used to verify identity matches the signatory's signature on the document we require the signatory to sign and that the address shown on any document used to verify identity is that of the signatory.

4. Valuation of The Property

4.1 Check **part 2** to see whether we send you a copy of the valuation report or if you must get it from the borrower. If you get a copy of the valuation report from the borrower, we do not expect you to check the content of that report matches the information we hold. For the avoidance of doubt, regardless of where the report is obtained from, you must carry out the checks detailed in sections 4.2 and 4.3.

4.1 Is there a valuation report and if so, does the lender provide it?

Yes - electronically where possible.

Last updated: 24/06/2025

[View all answers to this question](#)

4.2 You must take reasonable steps to verify that there are no discrepancies between the description of the property as valued and the title and other documents which a reasonably competent conveyancer should obtain, and, if there are, you must tell us immediately.

4.3 You should take reasonable steps to verify that the assumptions stated by the valuer about the title (for example, its tenure, easements, boundaries and restrictions on its use) in the valuation and as stated in the mortgage offer are correct. If

they are not, please let us know as soon as possible (see **part 2**) as it will be necessary for us to check with the valuer whether the valuation needs to be revised. We are not expecting you to assume the role of valuer. We are simply trying to ensure that the valuer has valued the property based on correct information.

4.3 If different from 1.11, contact point if assumptions stated by the valuer are incorrect.

4.4 We recommend that you should advise the borrower that there may be defects in the property which are not revealed by the inspection carried out by our valuer and there may be omissions or inaccuracies in the report which do not matter to us but which would matter to the borrower. We recommend that, if we send a copy of a valuation report that we have obtained, you should also advise the borrower that the borrower should not rely on the report in deciding whether to proceed with the purchase and that he obtains his own more detailed report on the condition and value of the property, based on a fuller inspection, to enable him to decide whether the property is suitable for his purposes.

4.5 Where the mortgage offer states that a final inspection is needed, you must ask for the final inspection at least 10 working days before the advance is required. Failure to do so may cause delay in the issue of the advance. Your certificate of title must be sent to us in the usual way.

4.5a If different from 1.11, contact point if re-inspection required.

4.5b Where should the certificate of title be sent?

5. Title

5.1 Length of Ownership

5.1.1 Please report to us immediately if the owner or registered proprietor has been registered for less than six months.

5.1.1 If different from 1.11, the contact point if the seller has owned the property for less than 6 months:

Completions Team at the address stated on the mortgage offer/instructions.

For Residential remortgage applications, the customer must have owned the property for at least 12 months. This is reduced to 6 months for Buy-to-Let applications. The exception to these rules is where the application is to exit a Precise Mortgages Bridging loan, whereby the application can proceed at any time following advance of the Bridging loan.

Sub-sales, where the seller has owned the property for less than 6 months and back to back transactions are not acceptable. We also regard as sub-sales where the seller acquires the freehold (or superior leasehold) title to the property, which they then immediately sell on to the borrower by the grant to them of a lease (sub-lease).

Applications which involve assignable contracts or irrevocable powers of attorney in favour of intervening sellers are not acceptable. You should also report any other structure to the transaction which has a similar effect.

If you consider that there are reasons for the use of any of the above arrangements which mean the case is acceptable, you must report the details. We shall then consider whether or not it is acceptable.

5.2 Seller Not The Owner or Registered Proprietor

5.2.1 Please report to us immediately if the person selling to the borrower is not the owner or registered proprietor unless the seller is:

- a personal representative of the registered proprietor; or
- an institutional mortgagee exercising its power of sale; or
- a receiver, trustee-in-bankruptcy or liquidator; or
- a developer or builder selling a property acquired under a part-exchange scheme; or
- a Registered Housing Provider (Housing Association) exercising a power of sale.

5.2.1 If different from 1.11, the contact point if the seller is not the owner or registered proprietor and is not listed in the exceptions above:

We will not lend where there is a sub-sale or back to back transaction or one where the contract for sale is to be assigned to a third (see also 5.1.1).

You must satisfy yourselves that the seller of the Property and any party associated with the Borrower or the seller has complied with all applicable provisions of the Economic Crime (Transparency and Enforcement) Act 2022 (as in force and amended from time to time).

5.3 Conflict of Interest

5.3.1 If any matter comes to your attention which you should reasonably expect us to consider important in deciding whether or not to lend to the borrower (such as whether the borrower has given misleading information to us or the information which you might reasonably expect to have been given to us is no longer true) and you are unable to disclose that information to us because of a conflict of interest, you must cease to act for us and return our instructions stating that you consider a conflict of interest has arisen. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).

5.4 Searches and Reports

5.4.1 In carrying out your investigation, you must ensure that all usual and necessary searches and enquiries have been carried out. You must report any adverse entry to us but we do not want to be sent the search itself. We must be named as the applicant in the Land Registry search.

5.4.2 In addition, you must ensure that any other searches which may be appropriate to the particular property, taking into account its locality and other features are carried out.

5.4.3 All searches except where there is a priority period must not be more than six months old at completion.

5.4.4 You must advise us of any contaminated land entries revealed in the local authority search. Check **part 2** to see if we want to receive environmental or contaminated land reports (as opposed to contaminated land entries revealed in the local authority search). If we do not, you do not need to make these enquiries on our behalf.

5.4.4 Does the lender want to receive environmental or contaminated land reports?

No, simply advise us of entries revealed in the local authority or other searches relating to contamination which may have an impact on our lending decision.

JAPANESE KNOTWEED

Where Japanese Knotweed (the “Weed”) has been identified within the boundaries of the property being mortgaged to us, we can only proceed if, prior to Completion of the loan, the Weed is:

- a) categorised as Category C (pursuant to the relevant RICS guidance in force and as amended from time to time) whereby the Weed is not preventing use of or restricting access to amenity space and any damage to outbuildings, paths and fences is minor; and
- b) subject to an appropriate management/treatment plan in place before Completion.

If the Weed is Category C, you must satisfy yourselves that the Borrower has provided:

- a transferable treatment plan issued by an appropriately qualified person or company such as an accredited member of an industry recognised trade association such as the Property Care Association and the Invasive Non-Native Specialists Association (“Qualified Person”). Such plan to be provided to the valuer prior to Completion of the loan for confirmation that the Property is suitable for mortgage security and whether there is any impact on the valuation of the Property; and
 - a transferable completion certificate issued by a Qualified Person that confirms the weed has already been fully remediated with a minimum 10 year insurance backed guarantee in place which should commence on the date of completion of treatment. Such certificate and guarantee to be provided to us or yourselves either prior to Completion of the loan, if available, or as soon as possible after completion of the treatment in accordance with such plan.
- If the Weed has been identified as Category D, whereby the Weed is outside the boundary of the Property, we can proceed without a treatment plan.

MUNDIC CONCRETE

Where the Property has been identified to be constructed from Mundic Concrete, we can only proceed if:

- a) you confirm it is categorised as Classes A, A/B, A1, A2 or A3 pursuant to the relevant Royal Institution of Chartered Surveyors’ guidance (the “Accepted Categories”) RICS Professional Guidance, The Mundic Problem (3rd Edition) and
- b) the Valuer has seen a copy of the relevant Mundic report acceptable to us and confirms the value of the Property is not affected with such identification and no threat is posed to our security.

In those circumstances, you must satisfy yourselves that, prior to Completion of the loan, the Borrower has provided to us and yourselves:

EITHER a Mundic Concrete report for the relevant Accepted Category in respect of the Property, issued by a qualified RICS Building Surveyor (the “Surveyor”) which is addressed to the Borrower, noting our interest and benefitting successors in title including mortgagees (the “Mundic Report”); OR - If an existing Mundic report for the relevant Accepted Category is dated after 1 January 1997 - an assignment to the Borrower (including mortgagees and successors in title) of such report by the same issuing Surveyor; OR - If the Mundic report predates 1 January 1997 or it is dated after 1 January 1997 but cannot be assigned by the same original Surveyor - a new Mundic Report.

TOGETHER WITH all supporting documents (including any existing or assigned Mundic report) to the Valuer to ensure the Property is suitable for mortgage security and there is no impact on the valuation.

For the avoidance of doubt, we will not accept any of the following Mundic Concrete categories: B or C.

5.4.5 Check **part 2** to see if we accept personal searches.

5.4.5 Does the lender accept personal searches and, if yes, what are the lender's requirements?

Personal Searches are acceptable provided the search firm subscribes to the Search Code as monitored and regulated by the Property Codes Compliance Board and provided that an unqualified Certificate of Title is provided.

5.4.6 Check **part 2** to see if we accept search insurance.

5.4.6 Does the lender accept search insurance and, if yes, what are the lender's specific requirements?

Yes, for re-mortgages only. You must ensure the search insurance adequately protects us and certify that the title is good and marketable.

For Limited Company applicants who are applying to purchase a Property owned by a Director or Directors of the Borrower we will accept search insurance if you confirm to us, in your opinion, the absence of searches is not a material

risk to us.

5.4.7 If we accept personal searches or search insurance you must ensure that:-

- a suitably qualified search agent carries out the personal search and has indemnity insurance that adequately protects us; or
- the search insurance policy adequately protects us.

5.4.8 You are satisfied that you will be able to certify that the title is good and marketable unless stated otherwise in our specific requirements listed in **part 2**.

5.5 Planning and Building Regulations

5.5.1 You must by making appropriate searches and enquiries take all reasonable steps (including any further enquiries to clarify any issues which may arise) to ensure:

- the property has the benefit of any necessary planning consents (including listed building consent) and building regulation approval for its construction and any subsequent change to the property and its current use; and
- there is no evidence of any breach of the conditions of that or any other consent or certificate affecting the property; and
- that no matter is revealed which would preclude the property from being used as a residential property or that the property may be the subject of enforcement action.

If there is evidence of such a breach or matter but in your professional judgment there is no reasonable prospect of enforcement action and, following reasonable enquiries, you are satisfied that the title is good and marketable and you can provide an unqualified certificate of title, we will not insist on indemnity insurance and you may proceed.

5.5.2 If there is such evidence and all outstanding conditions will not be satisfied by completion, where you are not able to provide an unqualified certificate of title, you should report this to us in accordance with 2.3.

5.5.3 Check **part 2** to see if copies of planning permissions, building regulations and other consents or certificates should be sent to us.

5.5.3a If different from 1.11, contact point for reporting if evidence of breach and all outstanding conditions will not be satisfied by completion:

If the breach of planning permission and/or building regulations is still within any applicable enforcement period, please contact the Completions Team at the address stated on the mortgage offer/instructions, with your recommendations on how to proceed. If not, we do not need to be notified.

5.6 Good and Marketable Title

5.6.1 The title to the property must be good and marketable free of any restrictions, covenants, easements, charges or encumbrances which, at the time of completion, might reasonably be expected to materially adversely affect the value of the property or its future marketability (but excluding any matters covered by indemnity insurance) and which may be accepted by us for mortgage purposes. Our requirements in respect of indemnity insurance are set out in section 9. If, based on your professional judgment, you are able to provide an unqualified certificate of title, we will not require indemnity insurance. You must also take reasonable steps to ensure that, on completion, the property will be vested in the borrower.

5.6.2 Good **leasehold title** will be acceptable if:

- a marked abstract of the freehold and any intermediate leasehold title for the statutory period of 15 years before the grant of the lease is provided; or
- you are prepared to certify that the title is good and marketable when sending your certificate of title (because, for example, the landlord's title is generally accepted in the district where the property is situated); or
- you arrange indemnity insurance. Our requirements in respect of indemnity insurance are set out in section 9.

5.6.3 A title based on **adverse possession** or **possessory title** will be acceptable if the seller is or on completion the borrower will be registered at the Land Registry as registered proprietor of a possessory title. In the case of lost title deeds, the statutory declaration must explain the loss satisfactorily;

5.6.4 We will also require **indemnity insurance** where there are buildings on the part in question or where the land is essential for access or services;

5.6.5 We may not need indemnity insurance in cases where such title affects land on which no buildings are erected or which is not essential for access or services. In such cases, you must send a plan of the whole of the land to be mortgaged to us identifying the area of land having possessory title. We will refer the matter to our valuer so that an assessment can be made of the proposed security. We will then notify you of any additional requirements or if a revised mortgage offer is to be made.

5.7 Flying Freeholds and Freehold Flats

5.7.1 If any part of the property comprises or is affected by a flying freehold or the property is a freehold flat, check **part 2** to see if we will accept it as security.

5.7.1a Does the lender lend on flying freeholds?

Yes - We can consider flying freeholds provided the percentage thereof does not exceed 10% of the total area. The valuer must comment and confirm total percentage.

5.7.1b Does the lender lend on freehold flats?

Residential & Buy-to-Let Lending - no.

Bridging Lending - only if conversion to an acceptable leasehold will be undertaken simultaneously with completion of the loan.

5.7.1c If the lender is prepared to accept a title falling within 5.7 and the property is a freehold flat or flying freehold, to which contact point must this be reported?

See 1.11a.

[View all answers to this question](#)

5.7.2 If we are prepared to accept a title falling within 5.7.1:

- the property must have all necessary rights of support, protection, and entry for repair as well as a scheme of enforceable covenants that are also such that subsequent buyers are required to enter into covenants in identical form; and
- you must be able to certify that the title is good and marketable; and
- in the case of flying freeholds, you must send us a plan of the property clearly showing the part affected by the flying freehold.

If our requirements in the first bullet under 5.7.2 are not satisfied, indemnity insurance must be in place at completion (see section 9).

5.8 Other Freehold Arrangements

5.8.1 Unless we indicate to the contrary (see **part 2**), we have no objection to a security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases.

5.8.1 Does the lender accept security which comprises a building converted into not more than four flats where the borrower occupies one of those flats and the borrower or another flat owner also owns the freehold of the building and the other flats are subject to long leases?

Yes subject to the freehold being charged to the Bank if the borrower is the freeholder or to completion of a stock transfer form in escrow where the borrower will be a shareholder in a company owning the freehold. If the freehold is owned, in full or in part, by an entity connected to the borrower (eg a family member of the borrower, or one of its directors, or a company of which the borrower, or one of its directors, is connected to the freeholder) we will require an additional Charge of the freehold.

Last updated: 24/06/2025

[View all answers to this question](#)

5.8.2 If the borrower occupying one of the flats also owns the freehold, we will require our security to be:

- the freehold of the whole building subject to the long leases of the other flats; and
- any leasehold interest the borrower will have in the flat the borrower is to occupy.

5.8.3 If another flat owner owns the freehold of the building, the borrower must have a leasehold interest in the flat the borrower is to occupy and our security must be the borrower's leasehold interest in such flat.

5.8.4 The leases of all the flats should contain appropriate covenants by the tenant of each flat to contribute towards the repair, maintenance and insurance of the building. The leases should also grant and reserve all necessary rights and easements. They should not contain any unduly onerous obligations on the landlord.

5.8.5 Where the security will comprise:

- one of a block of not more than four leasehold flats and the borrower will also own the freehold jointly with one or more of the other flat owners in the building; or
- one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat; check **part 2** to see if we will accept it as security and if so, what our requirements will be.

5.8.5 Does the lender accept security which comprises one of two leasehold flats in a building where the borrower also owns the freehold reversion of the other flat and the other leaseholder owns the freehold reversion in the borrower's flat? If so, are there any specific requirements?

Yes - We require the borrowers leasehold interest in the flat they occupy to be charged and we also require a charge over the borrowers freehold interest in the other flat subject to the lease in favour of its occupier - see 5.14 for our requirements for leasehold securities generally.

5.9 Commonhold

5.9.1 If any part of the property comprises of commonhold, check **part 2** to see if we will accept it as security.

5.9.1 Does the lender lend on commonhold?

No.

Last updated: 24/06/2025

[View all answers to this question](#)

5.9.2 If we are prepared to accept a title falling within 5.9.1, you must:

- ensure that the commonhold association has obtained insurance for the common parts which complies with our requirements (see 6.14);
- obtain a commonhold unit information certificate and ensure that all of the commonhold assessment in respect of the property has been paid up to the date of completion;
- ensure that the commonhold community statement does not include any material restrictions on occupation or use (see 5.6 and 5.10);
- ensure that the commonhold community statement provides that in the event of a voluntary termination of the commonhold the termination statement provides that the unit holders will ensure that any mortgage secured on their unit is repaid on termination;
- make a company search to verify that the commonhold association is in existence and remains registered, and that there is no registered indication that it is to be wound up; and
- within 14 days of completion, send the notice of transfer of a commonhold unit and notice of the mortgage to the commonhold association.

5.10 Restrictions on Use and Occupation

5.10.1 You must check whether there are any material restrictions on the occupation of the property as a private residence

or as specified by us (for example, because of the occupier's employment, age or income), or any material restrictions on its use. If there are any restrictions, you must report details to us (see **part 2**). We may accept a restriction, particularly if this relates to sheltered housing or to first-time buyers.

5.10.1 If different from 1.11, contact point if there is a restriction on use.

[View all answers to this question](#)

5.11 Restrictive Covenants

5.11.1 You must enquire whether the property has been built, altered or is currently used in breach of a restrictive covenant. We rely on you to check that the covenant is not enforceable. If you are unable to provide an unqualified certificate of title as a result of the risk of enforceability you must ensure (subject to paragraph 5.11.2) that indemnity insurance is in place at completion of our mortgage (see section 9).

5.11.2 If there is evidence of a breach and, following reasonable enquiries, you are satisfied that the title is good and marketable; you can provide an unqualified certificate of title and the breach has continued for more than 20 years without challenge, then we will not insist on indemnity insurance.

5.12 First Legal Charge

5.12.1 On completion, we require a fully enforceable first charge by way of legal mortgage over the property executed by all owners of the legal estate. All existing charges must be redeemed on or before completion, unless we agree that an existing charge may be postponed to rank after our mortgage. Our standard deed or form of postponement must be used.

5.13 Balance of Purchase Price

5.13.1 You must ask the borrower how the balance of the purchase price is being provided. If you become aware that the borrower is not providing the balance of the purchase price from his own funds or is proposing to give a second charge over the property, you must report this to us if the borrower agrees (see **part 2**), failing which you must return our instructions and explain that you are unable to continue to act for us as there is a conflict of interest. You should also have regard to 6.3.1 with regard to any implications on the purchase price.

5.13.1 If different from 1.11, contact point if borrower is not providing balance of purchase price from funds/proposing to give second charge.

Source of Deposit

The deposit should come from the Borrower's own resources without recourse to additional borrowing.

In respect of a Limited Company Buy to Let, we will accept director loans as part of the balance of the purchase price.

A non-interest bearing director loan is acceptable to us provided that:

- the individual is transferring a current/purchasing a new property into a company structure;
- purchase price is at full market value;
- the individual providing the director loan is a shareholder within the business;
- they are investing in the company by way of a directors loan and it will be included in the subsequent company accounts;
- the difference between the mortgage and the purchase price is covered by the director loan

Please contact the Completions Team to advise of any additional circumstances surrounding directors loans.

Gifted Family deposit

Where there is a gifted family deposit of £20,000 or less, you must obtain and send to us a deed of gift form or letter, addressed either to you, or to the borrower's solicitors in a separate representation case, and signed by the deposit giver/each individual family member(s) gifting the deposit which confirms the following information:

- The name and address of the family member gifting the deposit
- Their relationship to the borrower(s)
- The name and current address of the borrower(s)
- The address of the property being purchased

- The amount being gifted and the source of the funds
- That the gift is not repayable and the family member(s) providing the gift will not acquire an interest in the property
- The letter must be dated within the 3 months before completion

For gifts in excess of £20,000, we will have typically obtained a deed of gift form or letter before issuing the mortgage Offer. For any such gifts you report to us, of which we were unaware prior to issuing the Offer, we will confirm any further requirements to you once you have reported the gifted deposit.

In all cases, the deposit giver(s) must be resident within the UK or EEA and will not acquire a proprietary interest in the property, or any right to reside in it, and you must ensure clear bankruptcy searches are carried out against the borrower and all parties contributing to the balance of the purchase price. You must notify us if you cannot obtain clear searches. You must also ensure that any appropriate deed of gift indemnity insurance is put in place. You must continue to report a gifted deposit from a family member who is also the Vendor.

5.14 Leasehold Property

5.14.1 Our requirements on the unexpired term of a lease offered as security are set out in **part 2**.

5.14.1 What minimum unexpired lease term does the lender accept?

A minimum of 70 years must remain unexpired at completion of the loan advance.

Last updated: 24/06/2025

[View all answers to this question](#)

5.14.2 There must be no provision for forfeiture on the insolvency of the tenant or any superior tenant.

5.14.3 The only situations where we will accept a restriction on the mortgage or assignment (whether by a tenant or a mortgagee) of the lease is where the person whose consent needs to be obtained cannot unreasonably withhold giving consent. The necessary consent for the particular transaction must be obtained before completion. If the lease requires consent to an assignment or mortgage to be obtained, you must obtain these on or before completion (this is particularly important if the lease is a shared ownership lease). You must not complete without them.

5.14.4 You must take reasonable steps to check that:

- there are satisfactory legal rights, particularly for access, services, support, shelter and protection; and
- there are also adequate covenants and arrangements in respect of the following matters, buildings insurance, maintenance and repair of the structure, foundations, main walls, roof, common parts, common services and grounds (the "common services").

5.14.5 You should ensure that responsibility for the insurance, maintenance and repair of the common services is that of:

- the landlord; or
- one or more of the tenants in the building of which the property forms part; or
- the management company - see sub-section 5.15.

5.14.6 Where the responsibility for the insurance, maintenance and repair of the common services is that of one or more of the tenants the lease must contain adequate provisions for the enforcement of these obligations by the landlord or management company at the request of the tenant.

5.14.7 In the absence of a provision in the lease that all leases of other flats in the block are in, or will be granted in, substantially similar form, you should take reasonable steps to check that the leases of the other flats are in similar form. If you are unable to do so, you should effect indemnity insurance (see section 9). This is not essential if the landlord is responsible for the maintenance and repair of the main structure.

5.14.8 We do not require enforceability covenants mutual or otherwise for other tenant covenants.

5.14.9 We have no objection to a lease which contains provision for a periodic increase of the ground rent provided that the amount of the increased ground rent is fixed or can be readily established and is reasonable. If you consider any increase in the ground rent may materially affect the value of the property, you must report this to us (see **part 2**).

5.14.9 If different from 1.11, contact point for matters connected with the lease:

Ground rent and its review mechanism: For owner-occupied, residential properties where the ground rent exceeds £250 (or £1,000 in Greater London), or where it may exceed this limit in the future, you must either have the lease varied to remove any risk of its construction as an Assured Tenancy under the Housing Act 1988 or obtain suitable indemnity insurance. In any event, whether this is an owner-occupied, residential or a buy-to let rental investment applicaiton, you must report to us where either the ground rent exceeds 0.1% of the purchase price or valuation, or the ground rent will increase on review by more than 25% or where it will be reviewed more often than every 25 years as we may need to refer this to our valuer to consider any impact on their valuation as a consequence of the ground rent escalation provisions.

5.14.12 You must obtain on completion a clear receipt or other appropriate written confirmation for the last payment of ground rent and service charge from the landlord or managing agents on behalf of the landlord. If confirmation of payment from the landlord cannot be obtained, we are prepared to proceed provided that you are satisfied that the absence of the landlord is common practice in the district where the property is situated, the seller confirms there are no breaches of the terms of the lease, you are satisfied that our security will not be prejudiced by the absence of such a receipt and you provide us with a clear certificate of title.

5.14.12 Does the lender require a clear ground rent/service charge receipt to be sent to you?

No but you must ensure ground rent and service charges are paid up to date at completion.

Check **part 2** to see if a receipted copy of the notice or evidence of service must be sent to us after completion.

5.14.13 Does the lender require a receipted copy of notice or evidence of service to be sent to you?

No but notice must be served irrespective of the provisions in the lease.

5.14.16 You must check a certified or official copy of the original lease. In the case of a registered lease where the original lease is now lost, or destroyed by Land Registry, we are prepared to proceed provided you have checked an official copy of the lease from the Land Registry.

5.14.17 This section applies only to purchases of leasehold flats in England situated in a 'relevant building' as defined in the Building Safety Act 2022 (Guidance on 'relevant buildings' can be found here: [Definition of 'relevant building'](#)). See Part 2s for our requirements on purchases and remortgages. Where the security will comprise such a leasehold flat you must request the following information from the seller's conveyancer about the building in which the flat is situated :

- Confirmation as to whether the building has been or will be remediated under the Building Safety Act 2022.
- Copies of any Landlord's Certificates, signed by the Landlord in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022.
- Copies of any executed Leaseholder Deed of Certificate (in the form set out in the Building Safety (Leaseholder Protections) (England) Regulations 2022) and confirmation that they have been submitted by the relevant leaseholder to the landlord.

You may want to consider any guidance from your professional body and/or regulator about the information and advice you should provide to the home-buyer relating to building safety. You should also consider any implications for section 4.4 of the Handbook.

5.14.17a Does the lender want any documentation sent to them?

[View all answers to this question](#)

5.14.17b Does the lender have any specific instructions about building safety?

This section can be disregarded where the building is less than 11m in height, the block of flats/apartments has less than 5 storeys and does not require any action in relation to the Building Safety Act 2022. Likewise where there are no cladding or fire safety issues present, and where either an EWS1 form is not required or a satisfactory EWS1 form is held.

You must tell us if you believe from your enquiries that the security property has been identified as being in need of remediation.

You must tell us before completion if the current owner of the property is a non-qualifying leaseholder and confirmation of costs known or anticipated which may be payable by leaseholders (or our customer) for remediation works.

You must not complete the mortgage until you have received our further written instructions. We recommend that you report such matters before exchange of contracts because we may have to withdraw or change the mortgage offer.

5.15 Management Company

5.15.1 In paragraphs 5.15.1 to 5.15.2 the following meanings shall apply:

- “management company” means the company formed to carry out the maintenance and repair of the common parts;
- “common parts” means the structure, main walls, roof, foundations, services, grounds and any other common areas serving the building or estate of which the property forms part.

If a management company is required to maintain or repair the common parts, the management company should have a legal right to enter the property; if the management company’s right to so enter does not arise from a leasehold interest, then the tenants of the building should also be the members of the management company. If this is not the case, there should be a covenant by the landlord to carry out the obligations of the management company should it fail to do so. For leases granted before 1 September 2000, if the lease does not satisfy the requirements of paragraph 5.15.1 but you are nevertheless satisfied with the existing arrangements affecting the management company and the maintenance and repair of the common parts and you are able to provide a clear certificate of title, then we will rely on your professional judgement.

5.15.2 You should make a company search and verify that the company is in existence and registered at Companies House. You should also obtain the management company's last three years' published accounts (or the accounts from inception if the company has only been formed in the past three years). Any apparent problems with the company should be reported to us (see **part 2**). If the borrower is required to be a shareholder in the management company, check **part 2** to see if you must arrange for the share certificate, a blank stock transfer form executed by the borrower and a copy of the memorandum and articles of association to be sent to us after completion (unless we tell you not to). If the management company is limited by guarantee, the borrower (or at least one of them if two or more) must follow the procedure necessary to become a member after completion.

5.15.2a If different from 1.11, contact point if there are apparent problems with the management company:

Estate Rent Charges.

If an estate rent charge is payable on a property, we confirm this will be acceptable on the basis that one of the following conditions can be satisfied:

1. The provisions under section 121 of the Law of Property Act have been excluded under the estate rent charge clause.
2. The estate rent charge clause includes a mortgagee protection clause, which states that notice of a least 28 days is to be given to the mortgagee prior to any enforcement action being taken by the owner of the estate rent charge.
3. The owner of the estate rent charge is a management company comprising of the residents, who are the shareholders of a private freehold development.

If condition 2 (above) is satisfied, you should also consider whether a suitable indemnity policy should be taken out to

further protect our interest (and the onus shall be on yourselves to approve the policy in accordance with the provisions of the Handbook).

5.16 Insolvency Considerations

5.16.1 You must obtain a clear bankruptcy search against each borrower (and each mortgagor or guarantor, if any) providing us with protection at the date of completion of the mortgage. You must fully investigate any entries revealed by your bankruptcy search against the borrower (or mortgagor or guarantor) to ensure that they do not relate to them.

5.16.2 Where an entry is revealed that may relate to the borrower (or the mortgagor or guarantor):

- you must be satisfied that the entry does not relate to the borrower (or the mortgagor or guarantor) if you are able to do so from your own knowledge or enquiries; or
- if, after obtaining office copy entries or making other enquiries of the Official Receiver, you are unable to satisfy yourself that the entry does not relate to the borrower (or the mortgagor or guarantor) you must report this to us (see **part 2**). We may as a consequence need to withdraw our mortgage offer.

5.16.2 If different from 1.11, contact point if unable to certify search entry does not relate:

5.16.3 If you are aware that the title to the property is subject to a deed of gift or a transaction at an apparent undervalue completed within five years of the proposed mortgage then you must be satisfied that we will acquire our interest in good faith and will be protected under the provisions of the Insolvency (No 2) Act 1994 against our security being set aside. If you are unable to give an unqualified certificate of title, you must arrange indemnity insurance (see section 9).

5.16.4 You must also obtain clear bankruptcy searches against all parties to any deed of gift or transaction at an apparent undervalue.

5.17 Powers of Attorney

5.17.1 If any document is being executed under power of attorney, you must ensure that the power of attorney is, on its face, properly drawn up, that it appears to be properly executed by the donor and that the attorney knows of no reason why such power of attorney will not be subsisting at completion.

5.17.2 Where there are joint borrowers the power should comply with section 25 of the Trustee Act 1925, as amended by

section 7 of the Trustee Delegation Act 1999, or with section 1 of the Trustee Delegation Act 1999 with the attorney making an appropriate statement under section 2 of the 1999 Act.

5.17.3 In the case of joint borrowers, neither borrower may appoint the other as their attorney.

5.17.4 A power of attorney must not be used in connection with a regulated loan under the Consumer Credit Act 1974.

5.17.5 Check **part 2** to see if:

- the original or a certified copy of the power of attorney must be sent to us after completion; and
- where the power of attorney is a general power of attorney and was completed more than 12 months before the completion of our mortgage, whether you must send us a statutory declaration confirming that it has not been revoked.

5.19 Affordable Housing: Shared Ownership and Shared Equity

6.2 Boundaries

6.2.1 These must be clearly defined by reference to a suitable plan or description. They must also accord with the information given in the valuation report, if this is provided to you. You should check with the borrower that the plan or the description accords with the borrower's understanding of the extent of the property to be mortgaged to us. You must report to us (see **part 2**), if there are any discrepancies.

6.4 Incentives

6.4.1 You must obtain a completed copy of the [UK Finance Disclosure of Incentives Form](#) for any property that is yet to be occupied for the first time, or for the first time in its current form, for example, because of a renovation or conversion. You should only report incentives to the lender as instructed below.

6.4.2 You will not be able to send a completed Certificate of Title to the lender unless you have received the [UK Finance Disclosure of Incentives Form](#). When you send a completed Certificate of Title you are confirming you are in receipt of a completed UK Finance Disclosure of Incentives Form from the developer/seller's conveyancer which complies with your instructions.

6.4.3 This does not override your duty to the lender via the instructions provided elsewhere in the Lenders' Handbook.

6.4.4 You must tell us (unless we say differently in **part 2**) if the contract provides for or you become aware of any arrangement in which there is:

- a cashback to the buyer; or
- part of the price is being satisfied by a non-cash incentive to the buyer or
- any indirect incentive (cash or non cash) or rental guarantee.

Any such arrangement may lead to the mortgage offer being withdrawn or amended.

6.4.4 Does the lender require me to report incentives?

Yes - see 1.11.a for contact details.

All forms of cash/financial incentives are not acceptable unless a family gift which is not repayable. Any incentive must be deducted from the lower of the purchase price/valuation and LTV will be calculated from this new figure.

Unacceptable incentives include builders' deposits (with the exception of up to a maximum of 5% of the purchase price of residential purchases which are not for buy-to-let), vendor's deposit, discounted purchase price, purchase from family at discounted purchase price and purchase from a company in which the customer(s) has an interest.

In addition, you should also report details of all finders fees (whether or not the CML Disclosure of Incentives Form applies) as they are not considered acceptable. A finders fee is a fee or commission paid by a seller to a third party (such as a property investment club) for finding or introducing a buyer. It does not include the normal fee or commission payable to any estate agent handling the sale.

For New Build (previously unoccupied) properties, the conveyancer will be required to obtain a completed CML Disclosure of Incentives Form (DIF). Where applicable, the underwriter must consider these details to ensure that there is no effect on the Offer provided.

6.4.5 You must report to us (see **part 2**) if you will not have control over the payment of all of the purchase money (for example, if it is proposed that the borrower pays money to the seller direct) other than a deposit held by an estate agent or a reservation fee of not more than £1,000 paid to a builder or developer.

6.5 Vacant Possession

6.5.1 Unless otherwise stated in your instructions, it is a term of the loan that vacant possession is obtained. The contract must provide for this. If you doubt that vacant possession will be given, you must not part with the advance and should report the position to us (see **part 2**).

6.5.1 If different from 1.11, contact point if vacant possession is not being given:

6.6.1 Unless it is clear from the mortgage offer that the property is let or is to be let at completion then you must check with us whether we lend on "buy-to-let" properties and that the mortgage is for that purpose (see **part 2**).

6.6.1 If different from 1.11, contact point if property is let/to be let and to check you lend on buy-to-let:

If the mortgage is a buy to let product, any existing or proposed tenancy must comply with the special conditions relating to tenancies. In any other case, please report to us (see 11.1a). Applications which involve 'distressed sales' are not acceptable, i.e. to avoid repossession proceedings and/or sale and rent back arrangements, whereby the vendor will not vacate the property but will continue to reside.

6.6.4 Where the property falls within the definition of a house in multiple occupation under the Housing Act 2004 see **part 2** as to whether we will accept this as security and if so what our requirements are.

6.6.4 Does the lender lend where the property comes within the definition of a house in multiple occupation? If yes, what are your requirements?

Any property classed as a House in Multiple Occupation (HMO) under the Housing Act 2004 will only be acceptable as

security if the Mortgage Offer includes a Special Condition headed 'HMO SPECIAL CONDITIONS (ENGLAND & WALES ONLY)' and the terms of that special condition are met.

Where we have assessed the Property as a HMO, you must:

1. Satisfy yourselves that use as a HMO is authorised by either:

- a) a valid planning permission,
- b) certificate of lawful use or
- c) permitted development rights (PDR)

If the Property was converted to and has been used continuously as a HMO under permitted development rights prior to the date of any revocation of PDR following an appropriate Article 4 direction, you must obtain from the Borrower appropriate evidence to demonstrate the continued use of the Property as a HMO prior to the Article 4 direction up to the date of Completion in the form of suitable evidence such as historical ASTs or HMO licences and, where applicable, an appropriate statutory declaration from the Seller relating to the continued use of the Property as a HMO;

2. Ensure there are no restrictions on the title preventing or limiting the use of the Property as a HMO (unless an appropriate indemnity policy is put on risk)

6.7.4 Where the property does not have the benefit of a scheme under 6.7.1 and has been built or converted within the past 6 years check **part 2** to see if we will proceed and, if so, whether you must satisfy yourself that the building work is being monitored (or where the work is completed was monitored) by a professional consultant. If we do accept monitoring you should ensure that the professional consultant has provided the lender's Professional Consultant's Certificate which forms an appendix to this Handbook or such other form as we may provide. The professional consultant should also confirm to you that he has appropriate experience in the design or monitoring of the construction or conversion of residential buildings and has one or more of the following qualifications:

- fellow or member of the Royal Institution of Chartered Surveyors (FRICS or MRICS); or
- fellow or member of the Institution of Structural Engineers (F.I.Struct.E or M.I.Struct.E); or

- fellow or member of the Institution of Civil Engineers (FICE or MICE).

6.7.4 Will the lender proceed if the property does not have the benefit of a new home warranty scheme?

Only if there is a Professional Consultants Certificate. The issuing architect should have minimum professional indemnity insurance equivalent to the greater of £500,000 or the property value. The qualifications required are set out in 6.7.4 Part 1. We will not accept a retrospective Professional Consultants Certificate. However should there be a particular point to draw to our attention you should contact us (see 1.11a).

6.7.6 Check **part 2** to see if the consultant's certificate must be sent to us after completion.

- you must explain to the borrower that the borrower will need to comply with any conditions of the policy and that the borrower should notify us of any notice or potential claim in respect of the policy; and

11. The Documentation

11.1 The Mortgage

11.1.1 The mortgage incorporates our current mortgage conditions and, where applicable, loan conditions. If the mortgage

conditions booklet is supplied to you with your instructions you must give it to the borrower before completion of the mortgage.

11.1.2 You should explain to each borrower (and any other person signing or executing a document) his responsibilities and liabilities under the documents referred to in paragraph 11.1.1 and any documents he is required to sign.

11.2 Signing and Witnessing of Documents

11.2.1 Except where we specify otherwise in our individual instructions, the signature of a document that needs to be witnessed must be witnessed by an independent person. The witness's signature must clearly record the witnessing of the signing of the document by the individual concerned, and the name and address of the witness must appear in legible form. All documents required at completion must be dated with the date of completion of the loan.

12. Instalment Mortgages and Mortgage Advances Released in Instalments

12.1 Introduction

12.1.2 The borrower is expected to pay for as much work as possible from his own resources before applying to us for the first instalment. However, we may, if required, consider advancing a nominal sum on receipt of the certificate of title to enable the mortgage to be completed so long as the legal estate in the property is vested in the borrower.

12.1.3 The borrower is responsible for our valuer's fees for interim valuations as well as the first and final valuations.

12.2 Applications for Part of the Advance

12.2.1 As in the case of a normal mortgage account, funds for instalment mortgages may be sent to you. However, instalments (apart from the first which will be sent to you to enable you to complete the mortgage) can be sent directly to the borrower on request. We may make further payments and advances without reference to you.

12.3 Requests for Intermediate Funds

12.3.1 To allow time for a valuation to be carried out, your request should be sent to us (see **part 2**) at least 10 days before the funds are required.

12.3.1 If different from 1.11, contact point for release of retentions/mortgage advance instalments:

12.4 Building Contract as Security

12.4.1 We will not lend on the security of a building contract unless we tell you to the contrary. As a result the mortgage must not be completed and no part of the advance released until the title to the legal estate in the property has been vested by the borrower.

13. Mortgage Indemnity Insurance or Higher Lending Charge

13.1 You are reminded to tell the borrower that we (and not the borrower) are the insured under any mortgage indemnity or similar form of insurance policy and that the insurer will have a subrogated right to claim against the borrower if it pays us under the policy. Different lenders call the various schemes of this type by different names. They may not involve an insurance policy.

14. After Completion

14.1 Registration

14.1.1 You must register our mortgage as a first legal charge at the Land Registry.

14.1.2 Where the borrower or mortgagor is a company an application to register the charge must be lodged at Companies House within the required time period.

14.1.3 Our mortgage conditions and mortgage deed have been deposited at the Land Registry and it is therefore

unnecessary to submit a copy of the mortgage conditions on an application for registration.

14.1.4 Where the loan is to be made in instalments or there is any deferred interest retention or stage release, check **part 2** to see whether you must apply to Land Registry on form CH2 for entry of a notice on the register that we are under an obligation to make further advances. If the mortgage deed states that it secures further advances, and that the lender is under an obligation to make them, there is no need to submit a form CH2 provided the mortgage deed also states that application is made to the Registrar for a note to be entered on the register to that effect and the mortgage deed bears a Land Registry MD reference at its foot.

14.1.4 Does the lender require me to make a form CH2 application?

Yes, but only where the loan is to be made in instalments or there is any deferred interest retention or stage release; you must check the Mortgage Offer to ascertain whether these elements apply.

You may use any available Land Registry process for registration including electronic registration. You should retain any original documents until you are satisfied that the registration is completed. You are not otherwise required by us to retain any original documents.

14.1.5 Does the lender need to be sent the original mortgage deed and/or any other original title documents?

14.3 Your Mortgage File

14.3.1 For evidential purposes you must keep your file for at least six years from the date of the mortgage before destroying it. You should retain on file those documents as specified in these instructions, and/or our individual instructions, and any other documents which a reasonably competent solicitor/conveyancer would keep. Microfiche, data imaging or material held electronically constitutes suitable compliance with this requirement. It is the practice of some fraudsters to demand the conveyancing file on completion in order to destroy evidence that may later be used against them. It is important to retain these documents to protect our interests.

14.3.2 Where you are processing personal data (as defined in the Data Protection Act 1998) on our behalf, you must;

- take such security measures as are required to enable you to comply with obligations equivalent to those imposed on us by the seventh data protection principle in the 1998 Act; and
- process such personal data only in accordance with our instructions. In addition, you must allow us to conduct such reasonable audit of your information security measures as we require to ensure your compliance with your obligations in this paragraph.

14.3.3 Subject to any right of lien or any overriding duty of confidentiality, you should treat documents comprising your file as if they are jointly owned by the borrower and us and you should not part with them without the consent of both parties. You should on request supply certified copies of documents on the file or a certified copy of the microfiche to either the borrower or us, and may make a reasonable charge for copying and certification. This does not apply if acting in accordance with [Part 3 - Separate Representation Standard Instructions](#).
